August 1 Estimates Show Big Reductions in Production

Fort Worth, Texas, August 14, 1980

Staph & Thangs

Fort Worth, Texas, August 14, 1980

We reckon if the Congress ever gets serious about cutting some of the damn stupid stuff out of the Government's expenditures and waste of time, one good place to start could sure be the Endangered Species Act. This legislative boondoggle has opened the doors for more ridiculous application of the Bureaucrats' time and money than just about anything you dreamed up in the Potomac area and it has attracted more effort on the part of cowboys on nature than you can rightly imagine.

We are sure you are all familiar with the famous small darter, a minnow which blocked the Talley Dam for years startin' in 1974. While the darter got most of the publicity the Endangered Species center has many ramifications. For instance, the Fish & Wildlife Service and Interior Department and countless other Bureaucrats and busy...

Corn Crop Due to Fall 14% Behind Last Year's Record, Grain Sorghum Output Dips 32%, Feeding Costs Rise

While feeders were still mulling the effects of President Carter's recent increases in grain support loan rates on their futures, the August 1 crop estimate confirmed the fact that feeding costs were definitely going higher. Evaluation of the increased loan rates seemed likely to have small effect, since the rates for corn and milo at 7 1/2¢ and 7¢ respectively were too small to immediately affect the market prices. However, wheat given 20% hike could affect that market considerably.

Effects of the heat wave and drought on the grain production this year will definitely affect the costs of all feeders and with export demand expected to be large and growing meat costs will surely reflect the situation. Drought and scorching heat have shriveled this year's corn harvest prospects to 0.65 billion bushels, 14 percent less than last year's record of 7.76 billion bushels, the Agriculture Department said Monday.

The new estimate, based on field conditions as of Aug. 1, also was down 9 percent - more than 630 million bushels - from the government's initial forecast a month ago of 7.25 billion bushels.

It is the first decline in U.S. corn production since bad weather shriveled yields in 1974 when the harvest was reduced to 4.7 billion bushels, a 17 percent drop from 5.87 billion bushels produced in 1973.

Overall, the department's "all crops" production index for 1980 was down for the first time this year at 183 percent of crop production in 1967, a base year used for comparison. Last year, the index rose to an all-time high of 144 percent.

Even so, the index as of Aug. 1 was the second highest on record according to the report.

The department's Crop Reporting Board, in its initial estimate of soybean production this season, put the harvest at 1.88 billion bushels, a 17 percent decline from last year's record of 2.27 billion.

But farmers are expected to have record harvests of rice and wheat, the report said.

Rice production was estimated at 136.1 million 100-pound bags or low dryweight, up 7 percent from 128.7 million in 1979. The loss is due to a larger acreage, however, because the yield per acre is expected to decline sharply.

This year's wheat crop, most of which has been harvested was estimated at a record of 2.82 billion

(CONT. ON PAGE 8)

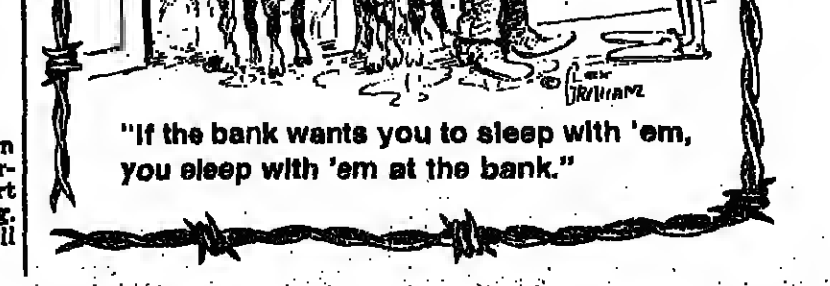

Fed Cattle, Hogs Sharply Higher in Trade at Central Markets on Monday

Around the major marketings circle Monday prices of fed steers and heifers were generally strong to nervously higher, with sharp gains at most points. Slaughter runs and bulls were mixed, generally steady and spots \$1 to \$2 up on rows. Bulcher hogs also showed steady advances at all points with gains of mostly \$1 to \$1.50 or more. Monday's estimated cattle kill was 111,000, or 3,000 above a week ago and 2,000 over last year. Monday's estimated hog kill at 315,000 was 22,000 above last week, but 23,000 under a year ago. Price trends, quotations on choice and prime steers and heifers and on the mixed good and choice grades and on good and choice Holstein steers and heifers are as follows:

OMAHA fed cattle file to \$1 higher. Steers \$74 to \$76.50 and \$78.50. Heifers \$69.50 to \$70.50. Bulls \$68 to \$70.25 and \$72.50. Hogs \$1.50 to \$1.75 higher at \$18 to \$20. SIOUX CITY fed cattle mostly 50¢ higher. Steers \$72.50 to \$74.75 and \$71.50 to \$73.50. Heifers \$68.50 to \$70.50. Bulls \$68.50 to \$70.50 and \$70 to \$72.50. ST. PAUL fed steers \$1 to \$1.50 higher, 11-months firm to 50¢ higher. Heifers \$1 higher. Steers \$70.50 to \$72.50 and \$69.50 to \$71. Heifers \$68 to \$69 and \$68 to \$69. Hogs \$1 to \$1.50 higher at \$40 to \$42.50. SIOUX FALLS fed cattle 50¢ to \$1 higher. Steers \$72 to \$74.25 and \$69.50 to \$72.50. Heifers \$68 to \$69.50. Hogs \$70 to \$70.50 and \$68.50 to \$69.50. ST. LOUIS fed steers 50¢ to \$1 higher, heifers steady to 50¢ lower. Steers \$72.50 to \$75 and \$71 to \$72.50. Heifers \$68 to \$70.50. Hogs \$1.50 higher at \$40 to \$42.50. ST. LOUIS steers \$1.50 to \$2.50 higher. Heifers \$1 higher, heifers \$2 to \$3.50 higher. Steers \$72 to \$74 and \$70.50 to \$72. Heifers \$69 to \$68.50. Hogs \$1 to \$2 higher. Steers \$73 to \$78.50 and \$72.50 to \$74. Heifers \$67 to \$69.70 and \$66 to \$68. Hogs \$1 to \$1.50 higher at \$48 to \$50.

W. T. (Dub) Berry Named NCA Executive Vice President

Denver - W. T. (Dub) Berry, Jr., has been named executive vice president of the National Cattlemen's Association. Berry was appointed to the association's top staff position by the NCA board of directors, at a recent meeting in Denver. The NCA executive committee, acting on a recommendation by a special search committee, previously recommended to the board that Berry be appointed as the chief operating officer. Before assuming his NCA position, Berry was senior vice president of Western Farm Management Co., Denver. At NCA, he succeeds Georgia S. Spencer who resigned to pursue other business and personal interests.

WALTER CUMMINGS
(512) 254-3548

Pleasanton, Texas — The Wal-Cum Ranches Beefmaster Sale will be held Saturday, August 30, 1980. The sale will be held at the Atascosa County Auction Facility at Pleasanton, Texas.

For information contact Walter Cummings, Falls City, Texas, 512/254-3548 or David Cummings, Floresville, Texas, 512/893-2887.

Stuph & Thangs (CONT. FROM PAGE 1)

bodies outside Govm't have been equally active in wasting time and money on other equally unimportant things.

We have scads of people worryin' about Southern Red Wolves, blackfoot ferrets, several types of toads, fish, birds, etc., when th' problem right now is whether say of 'em even exist other than stuffed in a museum someplace. Some of these endangered species, no longer identifiable in th' wild, are happily carrying on in zoo, which seems to be th' logical place for 'em at

Selling at 10:00 a.m. will be 50 Beefmaster pairs. At 1:00 p.m. 500 Brahman cross heifers will sell. These heifers are ready for the Beefmaster upgrading program.

Sale managers and auctioneers will be Ruben Reyes and Anthony Mihalski.

For information contact Walter Cummings, Falls City, Texas, 512/254-3548 or David Cummings, Floresville, Texas, 512/893-2887.

This is just one of many priorities th' Interior Department has set on its own and which fly in th' face of the good and welfare of all of us. They have ruled that coyotes, eagles and other predators are much more important than th' livelihood and cattleman and sheepmen. Likewise wild jackasses and mustangs.

What Congress ort to do is set those Boy Scouts in Interior down and let 'em read what another great nature lover

WEEKLY LIVESTOCK REPORTER August 14, 1980

Salting at 10:00 a.m. will be 50 Beefmaster pairs. At 1:00 p.m. 500 Brahman cross heifers will sell. These heifers are ready for the Beefmaster upgrading program.

Sale managers and auctioneers will be Ruben Reyes and Anthony Mihalski.

For information contact Walter Cummings, Falls City, Texas, 512/254-3548 or David Cummings, Floresville, Texas, 512/893-2887.

This is just one of many priorities th' Interior Department has set on its own and which fly in th' face of the good and welfare of all of us. They have ruled that coyotes, eagles and other predators are much more important than th' livelihood and cattleman and sheepmen. Likewise wild jackasses and mustangs.

What Congress ort to do is set those Boy Scouts in Interior down and let 'em read what another great nature lover

named Charles Darwin said he'd like to see. He said "we have knowledge that species die and are replaced."

We can thank our lucky stars th' U.S. Interior Department was around to succor th' prehistoric dinosaurs and saber toothed camp fires for ever.

The Editor: P.S.: Unkle Dunk figgers it th' T&V actors and technicians and junkies hold out in their effort to be in the cable-television movie business will learn to like reruns and there's possibility that T&V ratings will be below Jimmy Carter's before he's over. Dunk says folks have been in on Jimmy Carter's failure to his promises. One he has kept. He's refused to kick Twidy Kennedy's ass. He challenged him and he sure did that! —Thassall, Brothers!

Crop Estimates (CONT. FROM PAGE 1) bushels, up 9 percent from a production, virtually the same as July estimate.

The 1970 wheat crop came up one million bushels of the peak high of more than 2.14 billion bush in 1970.

Cotton production, estimated for first time this season, was put at 14.6 million in 1979.

Sorghum grain, also surveyed the first time, was estimated at 1.2 million bushels, a 32 percent gain from the 1979 harvest of 814.3 million.

Along with wheat and soybean corn also is a leading commodity among U.S. agricultural exports. Scores of foreign markets, including the big overseas buyers such as Japan and the Common Market countries.

Grain prices at the farm have lately from earlier slumps. The recent live-day average prices as quoted by USDA show wheat at \$3.50 a bushel and corn at \$2.01 a bushel.

A year ago wheat prices at the farm averaged \$3.71 a bushel and corn at \$2.11 a bushel according to USDA records.

Meanwhile, the production report said 1980 corn yields are expected average 93 bushels an acre, compared to 92.3 bushels harvested last year and the record of 109.4 bushels for 1970 crop.

Wheat yields, including all types, were estimated at 32.5 bushels per acre, compared with 30 bushels in July and the 1979 record average of 34.2 bushels an acre.

Winter wheat production, which makes up about three-fourths of U.S. output, was estimated at a record of 1.87 billion bushels, up 16 percent from 1.61 billion produced last year and 1 percent more than the 1979 forecast. Yields were estimated at 30 bushels an acre, compared with 28 bushels in 1970.

TBA Annual Meeting August 15-16, Waco

Waco — The Texas Brahman Association has announced plans for their annual summer meeting to be held here August 15-16 at the Holiday Inn on the Brazos.

Registration will begin at 9:00 a.m. on August 15 and will be followed by an officers and directors meeting. Following lunch, Dr. Richard Forgason of Hungerford will discuss "Extrus Synchronization of Brahman Cattle." A marketing panel consisting of the following breeders will come after Dr. Forgason's speech: Ronnie Griffith, Gary; John Joyce, Wharton; Harry English, Lufkin; Bob Hudgins, Hungerford; and Jim Brown, Belton.

Featured speaker for the association's annual banquet is the well-known Dr. James Blakely, Wharton, TX. Then the enjoyable TBA fund raising auction will be held to provide both luncheon and funds for the TBA membership. The next day will see Ronnie Lepps, Falls County Agricultural Agent discussing "Wintering yearlings on Small Farms."

The annual membership luncheon will conclude the two-day event.

Brahman Clinic VI In Houston Aug. 28-30

Houston — August 28-30 will highlight Brahman activities for 1980 as Brahman Clinic VI unfolds here at the Astro Village Hotel.

Sponsored by John and Vicki Joyce, the Brahman Clinics have provided insight into the breeding and raising as well as marketing of Brahman Cattle. Consistent with the past two clinics, the "Sale of Sales" third Invitational herd bull and female sale will be held in the Astro Village ballroom on Saturday morning, August 30, at 10:00 a.m. The sale of top quality red and grey Brahman cattle will be preceded by a breakfast buffet breakfast at 9:00 a.m.

The clinic program will begin on Thursday, August 28 in the Hotel's ballroom with registration at 8:30 a.m. ABBA Executive Secretary Wendell Schrouk will emcee the clinic after a welcome by clinic host John Joyce of Wharton, TX.

Nationally known agricultural speaker, Sister Thomas More of McIntowoc, Wisconsin will kick-off the clinic with an inspirational and educational talk.

Management tips on raising Brahman will be given by Jim Williams, V8 Ranch, Hungerford, TX and J. D. Sartwell Jr. of Sealy, TX. Following these speakers will be an entertaining slide show narrated by KIRK's Wee Johnson of his and Mr. Sugarata's of Seaberg Ranch, voyage to China. This is the first Brahman bull to be imported to China.

Immediately after lunch, clinic participants will break into workshop sessions dealing with record keeping, health, performance programs, and embryo transfers as well as management demonstrations. The following speakers will be in charge of these practical learning sessions: Mrs. Margaret Watkins, Ganado, TX; Lee Pritchard,

ABBA Director of Association Services; Dr. Brent Perry, Rio Vista Farms, San Antonio; Dr. James Forgason, Hungerford; Dr. Howard Allen, Waco; Dr. Richard Forgason, Hungerford; and Dr. Frank Mann, President, Texas Veterinary Medical Association, Wharton.

That afternoon's bus tour of the V8 Ranch and Seaberg Ranch of Wharton, TX with a poolside party at "J" Custom Fitters will end the first day's program.

Friday morning's (August 29) program will begin with a discussion of the showing today by the following panel: John Jolcoat, Scott, LA; Henry Clay Koontz, Pineda, TX; Bud Wentz, Olmito, TX; John Watson, Devine, TX; Joe Dial, Pineda, TX; Clarence Marek, New Ulm, TX; Sloan Williams, Hungerford, TX; and Dr. Randall Grooms, Overton, TX.

This panel discussion will be followed by a discussion centered on financing the purebred herd, Jack Barton and Al Thelot with the Federal Intermediate Credit Bank and Houston Agricultural Credit Corp., Houston, TX will be the speakers.

The afternoon program will hear CPA H. R. Stevens of Houston discuss tax advantages of raising Brahman cattle; Texas Junior Brahman President Dolo Horn discussing the junior member's role in Brahman production, and Jim Brown of Belton discussing the future of the small purebred breeder.

Later on in the afternoon Edmund Tom of Campbellton, TX will discuss the use of Brahman blood in producing Simbrah while Bill Cowan of Antlers, New Mexico, will talk about his experience of using Brahman in crossbreeding programs in the West. California rancher Gilbert Aguirre will discuss the influence of Brahman in the West. Ending up the day's discussion will be Jim Leachman of Billings, Montana.

Friday's program will be highlighted by a reception and dance in the ballroom of the hotel beginning at 7:45 p.m.

For hotel accommodations and enrollment applications to the clinic, contact "J" Custom Fitters, John Joyce, Route 2, Box 232, Wharton, TX or call 713-857-2215 or 713-342-9035.

For information contact Tommy and Diana Blankenship, Willis Point, Texas, 214/878-2764; or the sale management, Lionel Chambers, 719/285-2991 or Richard McRae, 214/872-7574, P. O. Box 359, Seely, Texas 77474.

Cherokee Ranch Sale Aug. \$3,621

Cherokee, TX — Tom Dean's Cherokee Ranch posted an impressive \$3,621 average on 188 lots of red Brahman females here on July 25th and 26th at their production sale.

The high selling female, Miss Cherokee Arauto 1/872, brought a \$13,300 joint bid from Raymond Long of Lott, LA and Lloyd Moreau of Pineville, LA under the gavel of auc-

tioneer Stanley Stout.

San Rafael Ranch of Pearland, TX was the volume buyer from the two-day sale with a purchase of nine head for a total of \$48,750.

The central Texas ranch was host to buyers from Oklahoma, Texas, Mississippi, Louisiana, Alabama and Mexico.

Summary Gross Avor:
55 Cow-Calf Pairs \$194,310 \$3,542
37 Bred Cows \$134,182 3,621
28 Bred Heifers \$1,900 2,825
13 Yearling Heifers 70,494 5,438
133 Red Brahman Lots \$481,506 \$3,621

For information and catalogue contact Morris A. Smith, Box 311, Mabank, Texas 75147, 214/887-1310 home or 887-3911 office.

F1 Brahman Certified Females To Show At LSU

Hosotao — the American Brahman Breeders Association's "Certification of F1 Brahman Hybrid Females" program has garnered another new honor.

For the first time ever, a major livestock show has implemented a showing class for these certified F1 Brahman Hybrid females. The Louisiana State University Livestock Show at Baton Rouge will host this first association approved show at their 1981 spring show.

The show will be held on February 21 immediately following the judging of the ABBA open Brahman show. Well known commercial cattleman, Cotton Fairchild of Baton Rouge, has agreed to judge these top quality cattle.

Classes established will be females born January 1, 1979 - December 31, 1979 and those born January 1, 1980 - December 31, 1980. Premiums will be paid through five places allocated as follows: \$100, \$90, \$75, \$50, and \$45. To be eligible to show, all females must have been issued a certificate of the F1 Brahman Hybrid certification program by the American Brahman Breeders Association.

For more information write C. D. McKerley, LSU Livestock Show, P. O. Drawer H, University Station, Baton Rouge, LA 70803.

The Limited-Phase 1 Sale will offer the breeder the opportunity to select from the top 40 females in the Powell Farms herd. This offering will include 35 outstanding GYR and 5 top quality Indubrazil females. All cattle sell bred or with calf at side and fully guaranteed.

Sale headquarters will be the Holiday Inn at Jacksonville, Texas 214/688-9841.

A pre-sale party is set for Thursday, October 2 at 7:30 p.m. at the sale headquarters.

Auctioneer will be Bert Reyes. For information, catalogs and reservations contact: Powell Farms, Inc., Rt. 3, Box 224-11, Truett, Texas 76788, Billy Powell, owner, 214/842-3128 or John Underwood, Manager, 214/726-3256.

National Brahman Show & Sale To Be Held In Dallas

Dallas — The Pan American Livestock Show held at the state fair of Texas will play host to the National Brahman Show and Sale October 6-7.

Approximately \$12,000 in premiums and awards will highlight this year's national show with over 450 entries vying for these awards.

Dr. J. W. (Bill) Turner of Louisiana State University, Baton Rouge, will judge the prestigious show. Dr. Turner has judged numerous Brahman shows both in this country and abroad.

The 1980 National Brahman Sale will be held in conjunction with the National Show. Twenty-five of the best Brahman breeding cattle will be offered for sale on Tuesday, October 7 beginning at 1:00 p.m. in the Pan American Sale Arena.

Judging for the Brahman cattle will begin at 8:30 p.m. on Monday, October 6 with the females and will conclude with judging of the bull on Tuesday, October 7 at 8:30 a.m.

The annual fall meeting of the American Brahman Breeders Association's board of directors will be held on Sunday, October 6 and Monday morning and afternoon October 6. All meetings will be held at the Sheraton-Dallas Hotel, headquarters for all Brahman activities.

ABA Annual Meeting Scheduled Nov. 16-18

The American Beefalo Association (ABA) will hold both its annual membership meeting and the breed's Kentucky National Show and Sale November 16-18 at the Kentucky Fair and Exposition Center in Louisville, Kentucky. This year marks the third time that the big show has been held in Louisville and it is conducted in conjunction with the North American International Livestock Exposition and with the co-sponsorship of the Kentucky Department of Agriculture.

We like 'em GENTLE

We don't want any of these "brave" fighting steers any more. In fact nobody does... that's why we won't have one in the place and we make sure you don't end up with one when you come to Santa Elena.

DRINKING TANK PROBLEM SOLVED
As well as all reservoirs and spray tank. Lifetime Tank Coatings for steel plate tanks, corrugated galvanized iron tanks, and rock and concrete tanks. Thousands of these tanks of assorted sizes have been restored to be better than a new tank, not coated. Over 30 million pounds now in service since 1958. Stop all leaks, any size hole or crack. Prevent rust forever. A new tank properly coated will not be replaced in a lifetime. Anyone can apply by brush. Not a paint, the only material known that prevents seepage in basement walls. Twice the hardness of concrete. Write or call for our catalog. All orders shipped some day received. This is our 30th year.

company.
A popular feature of this year's
sales has been that consignors are
permitted to have up to 19 head
in the "ten" head class for judg-
ing, or any number from 20 on up
in the "twenty" head class.
The special sales begin at 10
a.m. on sale days, with odd lots
beginning at 9 a.m. in the regular
auction.
Trophies and ribbons are award-
ed for the first five places in
Hereford, Angus and Crossbred
classes.

Further information is also
available from the Fort Worth
Stockyards, 817/824-8101.

Guerra Bros. Sale Offers Top Quality Red Brangus

The Guerra Bros. Field Day and Brahman Influence Red Brangus and P-1 Sale of the Americas, set for August 16-18, 1980, in Linn, Texas, will offer the kind of quality in Brangus that has influenced the Red Brangus breed. Now the cattle industry has the opportunity to share in the quality that, for the past 16 years, has been a cornerstone of the Red Brangus breed. This sale is the chance of a lifetime for Red Brangus breeders who have decided to breed up to Red Brangus. With a Guerra 1/4 Red Brahman-1/4 Red Angus bull or a Red Brahman pink-nosed bull, the Red Brangus breeder can use his own cows and immediately provide new Red Brangus blood lines. Since the American Red Brangus Association has no requirements regarding the percentage of Angus and Brahman blood in their registered animals, the Red Brangus breeder can begin to reap the benefits and profits of Red Brangus with the first calf crop from a Guerra Bros. bull. Carlos and Rafael Guerra have planned a unique itinerary of activities: personally guided tours of the Guerra Ranch, a guided shopping excursion in

AMERICAN RED BRANGUS ASSOCIATION NEWS

to the Reynosa, Mexico, marketplace, an authentic Mexican Fiesta at the Guerra Ranch featuring entertainment by an all-woman mariachi band, and plenty of food and refreshments from Friday noon until the end of the Saturday afternoon sale.

"We'll have a hot meal on the fire at all times," Carlos Guerra said this week, "including fresh-made tortillas, fajitas and the famous pico de gallo salsa."

This event provides a great opportunity for visitors to take advantage of the "magic" Rio Grande Valley attractions, such as the South Padre Island beaches, to visit Mexico, our friendly neighbor to the south, and most of all, to see, compare and buy those good Guerra Red Brangus cattle.

After seeing photographs of some of the sale animals, Dr. G. David Conrad, president of the American Red Brangus Association, said, "Not only have the Guerras re-invented the wheel, they have put a Cadillac hubcap on it!"

For more information and a catalog, call the Guerra Bros. at (612) 883-2002 or write P. O. Box 38, Linn, TX 78663. Sale headquarters will be the Echo Motor Hotel, Edinburg, TX. For reservations, call (612) 383-8623.

It seems the brotherhood of man has turned to too few brothers and too many hounds.

Feeder Hogs — Medium frame 1 325-550 lb 74.00-78.00.

ing to John Sosnowy of Houston. "This is the most heifers we've ever had for a futurity and we're proud to be showing a steady increase in both the entries and interest in the futurity," Sosnowy said.

The futurity will be held the morning of Friday, Nov. 21, at the Paloface Ranch at Spicewood, northwest of Austin.

The annual hoard and membership meetings and election of officers will also be held in connection with the futurity and sales.

Texas Longhorn News

Wright Materials Longhorn Invitational Aug. 16, San Antonio

San Antonio — M. P. "Chico" Wright, II, of Robstown, will host Wright Materials, Inc.'s Texas Longhorn Invitational Sale at Joe Freeman Coliseum here Saturday, Aug. 16, beginning at 12 noon.

John Stephens and Gayle Ingram of Longhorn Sales, Quilman, sale managers, said "this is the sale we've all been waiting for."

Selling will be 105 lots of Texas Longhorns including 58 female lots, five bulls including the great Bold Ruler and Bellringer and two sons of Don Quixote, two steers and five horned sheep from Wright Materials; five female lots from Tom Chandler of Arlington; nine female lots from Leonard Stiles and King Ranch, Inc., Kingsville; five female lots from Dr. Harmon and Betty Knight's KK Ranches at Pasadena; one female lot from Travis and Jeanne Marks LH Ranch at Fennin; six female lots from Billy J. "Red" McCombs Ranches of Texas, San Antonio; five female lots from Larry Smith's LS Longhorns at Crowley; six fe-

From left, Betty Baker of Austin, Ann Henry of Mineral Wells, and Sue Overton of Fort Worth, on the North Texas-Oklahoma Longhorn tour in north Texas June 21.

male lots from Alan Sparger & Son at D'Henis; and five female lots from Larry Whipp's at Cranfills Gap.

Eddie Wood will be the auctioneer.

For further information contact Wright Materials, Inc., Robstown, Texas 78380, office phone 512/887-1611 or residence 512/887-7374; or Longhorn Sales, John Stephens and Gayle Ingram, Box 579, Quilman, Texas 76183, phone 214/876-2225.

The recent 7th Annual South Texas Longhorn Sale on the Y. O. Ranch produced a new world per lot record of \$3723 on a total of 124 lots. Above from left to right Walter Schreiner, Louie Schreiner and Gus Schreiner of the Y. O. Ranch; Jay Luther, Lubbock, Texas; Chas. Schreiner III of the Y. O., and John Baker of Austin, Texas. Y. O. Ranch consigned the champion-high selling heifer which was purchased by Jay Luther.

Diek Robbins, left of Anchor D Ranch, Pratt, Kan., bought the reserve champion in the First Invitational Texas Longhorn Classic from John Roberts of San Antonio, second from left, for \$6,000. Roberts also received a premium check for \$2,500 from Larry Smith, second from right, for consigning the reserve champion, plus a bronze "Classic Cow" created by Artist Gary Clawson, right of Joshua. The 10 lots in the "Classic" sale grossed \$76,100.

Consignors of the grand sale to the First Invitational Texas Longhorn Classic were Steve and Debra Rogers at left, of Lake Creek, Texas. Phil Kuchner, center of San Antonio, bought the champion for \$12,000. They received a check for \$5,000 from Larry Smith, second from right, for consigning the reserve champion, plus a bronze "Classic Cow" created by Artist Gary Clawson, right of Joshua. The 10 lots in the "Classic" sale grossed \$76,100.

Jerry Cook Longhorn "Something Different" Sale Set Aug. 30

Cranfills Gap — Jerry V. Cook Ranches "Flying C Longhorns"

Some of the large crowd at the LS Ranches Invitational Texas Longhorn Classic sale at the LS Ranches at Crowley, June 26.

Jerry V. Cook Ranch

Announces the First Annual "Something Different Sale" OF REGISTERED TEXAS LONGHORNS AUGUST 30, 1980 - 1:00 P.M.

(The Saturday of Labor Day Weekend)
At the Ranch, Hwy. 219, near Meridian, Texas.

- ALL CATTLE REPRICED
- NO AUCTIONEER
- NO DRAWING

We're keeping our sale costs down in order to keep the prices down for ranchers interested in Texas Longhorns.

Offering Rancher Prices On:

- Bred Heifers
- Bred Cows
- Cow-Calf Pairs
- Herd Bulls
- And 5-10 Head of Heifer-Bulls

"Something Different"

will be the method of breaking the tie between persons wanting the same animal. Each will be given a 3x5 card on which to write his next offer bid. Only the persons originally interested in the animal will be allowed to bid, allowing them to control their opportunity to buy the animal, without the luck of the draw.

Inspection of Cattle, 8 A.M. to 12 Noon.
Gulf Barbecue, 11 A.M. to 1 P.M.

Barbecue, soft drink and beer will be served to everyone. Come all under the oak trees, eat and enjoy your lunch.

Selection Starts at 1 P.M.

RAINBOLT FARM & RANCH

FOR SALE: Eighty (80) wooded
 acres. This 80 acres is now part of
 a 190 acre farm purchased by
 owner in 1960 as a long term pine
 and hardwood tree growing invest-
 ment. Located in southwestern
 Newton County, Ark., 4 miles south
 of Folsville and 2 miles east of
 paved State Highway 21. Farm is
 completely surrounded by Ozark
 National Forest. Good access road
 (No. 1415) constructed and main-
 tained by U. S. Forestry Service.
 Spring and well water available.
 All mineral rights included with
 sale. This property has tax ad-
 vantages and is extremely volu-
 able to persons wanting the ad-
 vantage of seclusion, provided by the
 surrounding Ozark National Forest.
 Deer, turkey and squirrel are often
 seen. No fences or buildings mar
 this unique natural preserve. \$780
 Per acre (\$60,800).

NEED A 40% RETURN!

If you are now receiving a 8% - 14% return on your investment (C.D.'s, bonds, dividends, etc.) Alter taxes and inflation, you are losing over 5% per year on your dollar.

In today's economy you need a good hedge investment that has been doing in excess of 28% a year. We are the oldest investment company of our kind in America - recommended by leading financial periodicals - and have been providing an investment that has been averaging better than 40% per year for the last six years. It does not go down in value for 45 consecutive years.

Stuph & Thangs

(CONT. FROM PAGE 1)
stem from our reluctance to test the unknown and stay with familiar faces regardless of how bad their track record is and has been. About the only real chance we have for a change in Govmnet is to change Congress.

Experience has proved that once rejected our Congressmen hustle back to Washington and pick up where they left off. Whether it is votes themselves more goodies and higher salaries or whether they still try to solve problems by throwin' our money at 'em by the millions and billions. What we need to do, if we are really interested in a change in these wastrel practices, is fire the guilty and hire a new breed and see if we can't improve the quality of representation we now have.

It would be easy indeed to get the feelin' we can't really do any thing about the Situation and give up in despair. Our past failures in efforts to "turn the screws out" need not be the pattern of the future. We only get the chance to change directions in the country once every two years when Congress comes back to seek a renewal on their contracts to work for us.

At the moment there are large numbers of House members and a sizeable number of Senators that are runnin' very, very scared. Desperately so.

It appears we probably are to revive the slogan a tax fighting group used many years ago. We still have one of their old bumper stickers in our office and it says "Taxpayers Revolt! Vote the Rascals out!" Unless there are sizeable numbers of the present Congress sent back home to live under the laws they have been passin' over the years, we can't expect much improvement from Jimmy or Ronald or Johnnie, or who ever. The trouble is in Congress on taxes, inflation, or whatever.

Ever thine,
The Edlitar.

P.S.: Uckle Dunk notes where some of our international oil companies are preparing to spend billions on shale oil, oil sand, synthetic oils, etc., and in many cases are working with the U. S. Government to develop techniques to produce this stuff. However, when the really big commercially viable plants are built some will be in Europe and other in Australia, Canada and elsewhere. Why? Environmental and other regulations make it a matter of years to get these projects operating, not to mention taxes, make successful operations too difficult in this country. When it takes years and years to get clearance from Govmnet, Bureaucrats, and costs increase too fast, we may be a long, long time enjoying the fruits of our tax dollars and effort spent in this direction. If ever, Dunk claims the worst thing about the Billy Carter episode in the 'back somebody blew the whistle before he got the whole \$500,000 from them Libyan outlaws—Thasonall, Brothertel

USAHA Recommends Brucellosis Changes

(CONT. FROM PAGE 1A) official age for calfhood vaccination. These and other proposals were

made at the mid-year meeting of the committee, July 18-17, in Kansas City. Several steps remain, however, before the proposals can be acted upon by the U.S. Department of Agriculture.

Noting high interest in the reduced dosage recommendations in particular, Paul Becton, DVM, director of brucellosis eradication for USDA's Animal and Plant Health Inspection Service, said "we'll do everything we can to speed the approval process along."

Once criticism of the present standard dosage of Strain 19 vaccine is that a few animals develop persisting residual blood titers after vaccination. This can confuse blood test results and interrupt sales, especially when older calves are vaccinated.

Titers are the measurement of antibodies resulting from vaccination or infection with Brucella.

Titers induced by vaccination using the reduced dosage are lower and recede very rapidly, yet the degree of immunity is not significantly different from that produced by the current dose.

"Being able to vaccinate animals up to 18 months of age without having to

worry about false reactions to blood tests will be a great advantage," said Becton.

Currently, the official calfhood vaccination ages approved under program standards are 2 to 8 months for beef breeds and 2 to 10 months for dairy breeds. The latter varies slightly in some states. With reduced dosage, the vaccination ages would likely become 4 to 12 months for all breeds.

Tight Hay Supplies Seen For Winter, Heat Wave Blamed

(CONT. FROM PAGE 1A)

grass supplies, the prospects of high hay prices and short supplies will probably be reflected in additional close culling of cow herds.

With alfalfa hay already quoted in the \$100 to \$120 range in the Southwest some veteran cattlemen in the region are speculating that at that kind of price a cow could well eat herself up before winter is over. Latest figures from the Crop Reporting Board on hay prospects as of Aug. 1 are:

All hay production in 1980 is forecast at 124 million tons (113 million metric

tons), a 16 percent decrease from the record high production of 1979, and a 12 percent decline from 1978. Average in-tended for harvest totals 59.9 million acres (24.2 million hectares), down 2 percent from a year earlier. All hay yield is forecast at 2.08 tons per acre compared with 2.88 tons in 1979 and 2.81 tons in 1978.

Production of alfalfa and alfalfa mixtures is forecast at 76.1 million tons (69.1 million metric tons), 13 percent less than a year ago and 12 percent below the 1978 crop. Average for harvest totals 28.8 million acres (119.9 million hectares), down 2 percent from last year and 3 percent from 1978. Average yield is indicated at 2.83 tons per acre compared with last year's record high 3.18 tons and 3.13 tons two years ago.

All other hay production is forecast at 48.8 million tons (43.8 million metric tons), down 17 percent from last year and 18 percent below 1978. Yield per acre is forecast at 1.46 tons per acre compared with 1.73 in 1979 and 1.04 tons in 1978. Average for harvest is forecast at 33.0 million acres (113.4

USDA Official Explains New Cattle Brucellosis Indemnity Rates

New indemnity rates for cattle slaughtered because of brucellosis are substantially better than the old rates, according to the U.S. Department of Agriculture.

Paul Becton, DVM, director of the national brucellosis eradication program for USDA's Animal and Plant Health Inspection Service, said "These more equitable rates provide an incentive for cattle owners to cooperate fully with ongoing efforts to eliminate this disease once and for all."

The new rates, in effect since June 27, are based on 88.5 percent of average replacement cost less average slaughter value. For example, the current rate for nonregistered herd cattle is \$62—up from \$50. This is 88.5 percent of \$655 (average cost of replacements) less \$456 (average slaughter price). According to Becton, this rate is the same for all states and will be subject to quarterly adjustment depending upon changes in market values.

The new indemnity rates for nonregistered dairy cattle vary from state to state, in keeping with the differing replacement costs nationally. Indemnity for them now averages about \$400, in contrast to the old flat rate of \$150.

For indemnity purposes, such cattle must be over 20 months of age and in a dairy herd producing milk for commercial use. The rates for nonregistered dairy cattle also will be subject to quarterly adjustments.

For registered cattle, beef or dairy breeds, the new rates will be subject to annual adjustment only. Compared with the old rates, however, they are up the sharpest.

The new rate for registered beef breeds, for instance, is \$727, up from \$260 for any registered cattle. The new rates for registered dairy cattle vary according to breed.

Hides & Offal

Princeton, N.J., Aug. 14, (USDA) — The value of Hides and Offal from the average 1,000 pound slaughter steer for the week ending August 15, 1980, was estimated at \$7.37 per 100 pound live weight compared with \$7.12 the previous week and \$8.24 a year ago.

LJ Bar Sets Part II Beefmaster Sale At Pleasanton, Sept. 6

Louisiana Simmental "Sale '80" Sept. 6 At LSU In Alexandria

Alexandria, La. — The Louisiana Simmental Association's "Sale '80" will be held here on Saturday, Sept. 6, beginning at 1 p.m. at the Louisiana State University Alexandria campus.

Carey Clay, secretary of the Louisiana Simmental Assn., said, "In the tradition of Louisiana Association sale, Sale '80 will feature top quality cattle from serious Simmental breeders."

Auctioneers for the sale will be Joe Micham of Hubbard, Texas, and Jack Dillard of Waco, Texas.

Sale headquarters will be the Best Western Motel on Louisville Street, where the annual Fall banquet of the association will be held at 7 p.m., Friday, Sept. 5.

Further information is available from Carey Clay, secretary, Louisiana Simmental Association, Route 2, Box 888, Columbia, Louisiana 71418, or the sale management, Mid-South Livestock Services, Inc., P. O. Box 208, Dubach, Louisiana 71235, phone 318/257-2803, or 818/777-8444 at night.

Tex-Ann and Stephens Simmental Sale Set Sept. 6 at Roff, Okla.

Roff, Okla. — Jim Newsom of McCoy, Texas, Stan Newsom of Abilene, Texas, and Thurman Stephens of Roff, Okla., will hold a Tex-Ann & Stephens Joint Simmental Sale Saturday, Sept. 6, beginning at 1 p.m., at the Stephens Simmental Ranch here. The ranch is located 2 1/2 miles west of Roff, or eight miles north of Sulphur, Okla., on Highway 177, then 4 1/2 miles east.

Selling will be 40 big, broody Simmental females and 70 outstanding club calf prospects.

The females include three purebreds; 12 three-quarters; 20 big halfbloods; and five three-eighths females. Twenty of these outstanding females are bred to calves this fall and 20 will calve next spring. They are bred to outstanding full-blood sons of Extra and Galant.

The 70 calves include 80 show heifer prospects, 32 show steer prospects and eight top young bull calves. This offering of show calf prospects, steers and bull calves, have been calved from January to May, 1980, plus three fall-born calves. The show heifer prospects were calved from August 1979 to May of 1980.

As an added feature, Tex-Ann Simmental will offer buyers a choice of six ampules of Polled Signal or Agro Image semen to the volume buyers, as well as six ampules of Agro Image semen to the purchaser of the high selling female.

Auctioneer will be Bruce Brooks of Springer, Okla. For further information contact Tex-Ann Simmental, Jim Newsom, Rt. 1, Box 180, McCoy, Texas 79053, phone 512/668-4843; Stan Newsom, Route 4, Box 186B, Abilene, Texas 79601, phone 817/878-0288; or Thurman Stephens, Rt. 1, Box 208, Roff, Okla. 74686.

Have you noticed how eager Congressmen are to start investigations on everything except scandal in Congress?

Jerry V. Cook Ranch

Announces the First Annual

"Something Different Sale" OF REGISTERED TEXAS LONGHORNS AUGUST 30, 1980 - 1:00 P.M.

(The Saturday of Labor Day Weekend)
At this Ranch, Hwy. 219, near Meridian, Texas.

- ALL CATTLE REPRICED
- NO AUCTIONEER
- NO DRAWING

We're keeping our sale costs down in order to keep the prices down for ranchers interested in Texas Longhorns.

Offering Rancher Prices On:

- Bred Heifers
- Bred Cows
- Cow-Calf Pairs
- Herd Bulls
- And 5-10 Head of Heifer-Bulls

"Something Different" will be the method of breaking the tie between persons wanting the same animal. Each will be given a 3x5 card on which to write his next secret bid. Only the person originally interested in the animal will be allowed to bid, allowing them to control their opportunity to buy the animal, without the luck of the draw.

Inspection of Cattle, 8 A.M. to 12 Noon
Bull & Steers, 11 A.M. to 1 P.M.
Barbecue, soft drinks and beer will be served to everyone. Come sit under the oak trees and enjoy your lunch.
Selection Starts at 1 P.M.

Next "Top Dollar" Sale Aug. 28 At Ft. Worth Stockyards

(CONT. FROM PAGE 1A)

Packer cattle are welcomed, also, at the sale, said Elmo Klingenberg, president of the stockyards company.

A popular feature of this year's sales has been that consignors are permitted to have up to 19 head in the "ten" head class for judging, or any number from 20 on up in the "twenty" head class.

The special sales begin at 10 a.m. on sale days, with odd lots beginning at 8 a.m. in the regular auction.

Trophies and ribbons are awarded for the first five places in Hereford, Angus and Crossbred classes.

Consignments to the "Top Dollar" sales may be made by contacting these commission firms: Carson Commission Co., 817/624-3101; John Clay & Co., 817/624-1300; Farm and Ranch Commission Co., 817/624-2181; Farmer-Kutch Commission Co., 817/624-2176.

Texas Brangus Breeders Association News By LAUREN MAYHEW

Well, "That's a deep subject", the weathers will not, "Allen" didn't bring us any rain as we'll just stay inside and pay those high utility bills. I even have a ground squirrel that has set up residence outside my office. The last couple of weeks have been fairly quiet on the Brangus scene in Texas, but as always the last of August starts the circuit of fall sales and shows.

In spite of hot weather the Lakey Animal Research Center in Lubbock, Texas was the site of Lakey's Tularosa Brangus Ranch, Complete Dispersal Sale on July 12, 1980. E. E. & Bob Lakey along with guest consignors Granda Lead & Cattle Co. welcomed buyers and guests from Texas, Oklahoma, Missouri and New Mexico. A total of 87 lots grossed \$223,250.00 to average \$2,568. Moosa Lake Ranch at Mesquite, Texas, was the volume buyer.

The Third Annual Texan International Junior Brangus Heifer Show was held on July 19th at the Civic Center in Sulphur Springs, Tx. Wendy Sjolander of Mesquite, Texas, took Grand Champion honors with her Early Jr. Heifer Calf, Miss Patcha 650 and also Reserve Champion honors with her Early Summer Heifer Calf, BBR Miss 5/0 Sister. Lou Ann Sjolander placed first in the late Jr. Heifer class with Miss Cloud 942/8, and Susan Wilson of Chisago, Tx. placed first in the late Summer Heifer Calf class with Miss Rojak 938/10. Wendy also took first place in the Sr. Heifer class with BBR Ruffian 650. Herdsman awards went to Joel McKnight, Longview, Tx.; Harrison Co. 4H, Marshall, Tx.; Diamond M Ranch, Blue Ridge, Tx. and Rhonda Scroggins, Throckmole, Tx. Wendy Sjolander took first in the Pair of Females with sister, Lou Ann placing second; Cordell Cody of Houston, Erd; Rhonda Scroggins, 4th; and Bill Cawley of Eldorado, 5th. Showmanship 13 yrs and younger went to Susan Wilson and 14 yrs and older went to Wendy.

Mr. & Mrs. J. W. Hastings will host and IBBA Inspection Seminar at the ranch at Windhorst, Tx. on September 18; this will probably be the last one this year. Remember all IBBA Inspectors must be re-qualified every three years.

UPCOMING EVENTS:
Aug. 23 — Clayton & Modesta Williams will host their third Annual Production Sale at Alpine, Tx. Featuring the get and service of WSR Rocky Joe 650, WSR Cloud 942, General, and PW George Boy 820.

Sept. 19 — The First Annual Bluebonnet Classic at the Washington County Fair in Brenham, Tx. Open Show at 8:00 a.m. and Junior Show will follow immediately.

Sept. 19 — Windy Acres hosting the "Genetics for the 80's" Sale. Selling 30 lots: Show and Heifer Bull Prospects, 1979 and 1980 Show Heifers at the ranch near Brenham, Tx.

Sept. 20 — Willow Springs Ranch will host the "Heart of the Herd" Production Sale at the ranch near Burton, Tx. Selling: 10 Herd Sire Prospects and 60 Females.

Sept. 21 — L & L Ranch will host their First Production Sale at the ranch near Thorndale, Tx. Selling 50 lots: 20 Bulls and 20 Bred and Open Heifers.

Sept. 24 — East Texas Fair, Tyler, Texas, Brangus Open Show.

Sept. 25 or 26 — East Texas Fair, Junior Brangus Show.

Sept. 27 — Granada Production Sale at the ranch near Marquez, Texas. Selling 30 lots: Embryo Donor Females.

Herd Bull Prospects, Pair and Bred and Open Heifers.
Check your Calendar of Events in this issue for Brangus Activities.

Williams Brangus Production Sale Set For August 23

Alpine, Texas — Williams Brangus has announced the 3rd Annual Production Sale of the "Good Kinda Cattle" will be held Saturday, August 23, 1980. The sale will begin at 12:30 p.m. at the ranch located 6 miles north of Alpine, Texas.

Selling will be 75 lots including 4 yearling herd bull prospects — some of "650", General, Titan and Hopi and 6 bull calf show prospects — some of "650" and General. Also selling will be 8 heifer calf show prospects, all "650" daughters, 5 open heifers, and 30 Bred Heifers.

The balance of the offering is made up of 20 cows with herd improver calves at side, 5 embryo interests in top donor cows, and 5 bred cows that are proven producers.

(CONT. ON PAGE 15A)

Pan American Brangus Sale Set Oct. 3 At Texas State Fair

Dallas — The Pines & Plains Brangus Breeders' Pan American Brangus Classic, the most prestigious sale in America, will be held Friday, Oct. 3, 1980, beginning at 6:30 p.m., on the State Fair grounds in Dallas.

This sale featuring 20 female lots and two herd sire prospects will be a highlight of several Brangus activities scheduled in conjunction with the State Fair of Texas and Pan American Livestock Show.

The calendar of Brangus events includes: Pan American Brangus Classic Sale, Friday, Oct. 3, at 6:30 p.m., at the State Fair grounds; and the Brangus Cattle Show, Saturday, Oct. 4, at 9 a.m.

(CONT. ON PAGE 16A)

Windy Acres Brangus Sale Set Sept. 19 Near Brenham

Brenham — Warren Wackman, Jr., president, and Jim Hart, manager, will host Windy Acres Brangus "Genetics for the 80's" Sale Friday, Sept. 19, beginning at 1:30 p.m., at the ranch near Brenham, Texas.

A highlight of the sale will be "Winning Perfecto," a Jan. 9, 1980 son of WSR 942 Son 821 out of a cow sired by PW George Boy 320/2.

There will also be 20 heifers selling of which at least 15 are proven show heifers or will be competitive show heifers next year.

"All in all, we think you will find in this offering the best size and quality for age to sell this year," Wackman said.

The cattle for this sale may be viewed the afternoon of Thursday,

(CONT. ON PAGE 16A)

Willow Springs Brangus Sale Sept. 20 To Mark 30 Years In Genetics

Burton — Owners Herman and Lorry Gardoor and Jerry Hemphill, manager, will conduct Willow Springs Ranch's "Heart of the Herd" production sale on Saturday, Sept. 20, to celebrate 30 years of breeding performance tested, genetically stable Brangus cattle.

Selling will be 10 herd sire prospects and 80 female lots including pairs, springing heifers, show heifers and embryo donor females.

The Willow Springs sale will be part of three days of Brangus activities held beginning Thursday, Sept. 18, while the Washington County Fair is underway at the fairgrounds in Brenham. The afternoon of cattle for the devoted to viewing of cattle for the Willow Springs sale: the Bluebonnet Classic Open Brangus show at the Washington County Fair will begin at 8 a.m., Friday, Sept. 19; the Bluebonnet Classic Junior Brangus show at 10 a.m. that day; Windy Acres Brangus will host lunch at 12:30 p.m. and begin the Willow Acres "Genetics for the 80's" sale at 1:30 p.m. The Willow Springs sale cattle will be on view beginning at 8:30 p.m. that day, and the Willow Springs Brangus and Windy Acres Brangus sale party at Erwin's Camphouse in Brenham will begin at 7 p.m. with cocktails, dinner, and dancing to the Lew Anthony Band.

Saturday, Sept. 20 the Willow Springs cattle will be on view and coffee, juice and rolls will be served beginning at 7:30 a.m., a junior showman's clinic will be held from 9 to 10:30 a.m., lunch at 11:30 a.m. and the Willow Springs sale at 1 p.m., followed by cocktails.

Motel reservations can be made direct by contacting Willie's Motor Inn, Brenham, Texas 77833, phone 713/836-7915; or the Coach Light Inn, Brenham 77833, phone 713/836-5657, or through P & F Cattle Co., sale managers, Box 807, Bellville, Texas 77418, phone 713/865-3618, or in Houston, 713/403-6000.

Further information is available from Norman Gardner 713/830-8088 or Larry Gardner 713/836-9660; or Jerry Hemphill, manager, Route 2, Box 24, Burton Texas 77895, phone 713/890-9645.

For Fall Season

(CONT. FROM PAGE 15A)
In the last 3 months of 1980 that

Metroplex Brangus

Sale At Blue Ridge

Saturday, Oct. 4

Blue Ridge, Texas — The Metro-
plex Brangus Breeders' first an-
nual sale will be held at the Blue
Ridge, Texas, on Saturday, Oct. 4, beginning
at 5 p.m.

Selling will be 75 lots of Brangus
including bulls and females
consigning by Diamond N Cattle
Co.; Diamond C Ranch; Rojok
Ranch; Blackland Farm; and Dia-
mond C Land & Cattle Co.

This is one of several Brangus
activities to be held in conjunction
with the State Fair at Texas at
Dallas. Others include: an old
fashioned barbecue and dance at
the Diamond N Ranch immediately
following the Metroplex sale; the
Pan American Brangus Classic
sale on Friday, Oct. 3, at 6:30
p.m. at the State Fair at Texas;
and the Brangus Dispersal sale
Sunday, Oct. 5, at 10 a.m. at Wax-
ahatche Livestock Auction at Red
Oak, south of Dallas on I-34.

Further information on this sale
is available from Matt and Ann
Syler, Syler Sales Management,
Inc., Route 2, Box 35, Burton,
Texas 77835, phone 714/289-4400.

Oklahoma Brangus Gross \$122,350

Tulsa — The 16th annual Oklahoma
Registered Brangus Breeders Associa-
tion sale here Aug. 16, drew 20 buyers
from Texas, Oklahoma, Arkansas and
Missouri, who purchased 75 lots for
\$122,350 for an average of \$1,631.

Summary
No. Type Avg.
2 Bulls 4,400
8 Pairs 2,068
35 Open heifers 1,531
30 Bred heifers 1,286
75 Lots \$122,350

The sale was topped by a bull, Centro
Brinks 11083 calving Dec. 6, 1978, and
consigned by Danken Bros. of Ft. Worth,
Okla., and purchased for \$4,400 by J.P.
Brangus of Welch, Okla.

Clayton and Manketa Williams of
Fort Stockton purchased the next high
selling lot, a March 14, 1979 heifer con-
signed by L. B. Rodgers of Coalburg,
Okla., for \$4,700.

Childers' Bar 7 Ranch at Pryor,
Okla., paid \$4,000 for a bull consigned
by Robinwood Farms of Oklahoma City.

Williams Brangus also purchased
another Rodgers female for \$3,900; and
Keith Mayes of Moberly, Mo., paid
\$3,500 for a female lot consigned by
Butler Creek Ranch at Muskogee, Okla.

Valuna buyers were Childers' Bar
7, 19 head; and G&O Land and Cattle
Co., Kingwood, Texas, 11 head.
Childers' Bar 7 also won eight tickets
to the National Finals Rodeo in
Oklahoma City.

P&F Cattle Co. of Bellville, Texas,
managed, and Gerald A. Bowie of West
Point, Ga., auctioneered the sale.

Our Girl Friday . . .

By ANN SYLER

And then there was "Allen" — for a couple of days people ranted a little stragglery toward me when I would say "We never get any rain in this part of the country when a Hurricane goes to el Cerro or south" — their reactions bordered on the incredulous, thinking I was a little off my rocker, and/or saying that I would even suggest such a thing. As it turned out, sorrowfully, I was right as we got only about three drops as much of this part of the state. We were fortunate, of course, because along with the no rain came no damage and destruction, but would have been nice to have had our cake and bees able to eat it too — with around 8 inches of rain and no damage.

We were lucky that Jim & Judy Johnson, however, they are Brangus breeders from Missouri who went to Kingville for the 50th wedding anniversary of Jim's parents. The big event reception, party, etc., had been in the planning for two years and Allen cancelled it all; however, Jim and Judy had arrived a couple of days early so they set out the whole week-end in the motel. And Judy said she knew the stores they were getting from people as if they were insured were justified — theirs was the only car on the road heading south as all the others were coming north heading north!

But our good neighbors to the south

One of the foremost breeders of America's No. 1 breed offers some of the nation's finest registered Brangus cattle for sale during the

Moyes & Son, Thomas & Riley Brangus Sale

Aug. 30, Moberly, Mo.

Moberly, Mo. — Keith Moyes & Son, Don Thomas & Floyd Riley will conduct a registered Brangus production sale Aug. 30, beginning at 1 p.m., at the Ramada Inn here.

Belling will be approximately 100 head of cattle including three bulls, pairs and bred and open females. The sale animals were selected from the top animals of the three herds.

They feature the breeding from some of the finest bloodlines in the Brangus industry, including "942", Rocky Joe, George Boy, General and others.

Sale headquarters will be the Ramada Inn in Moberly, phone 818/268-5640. The customary pre-sale fun and festivities will take place at the Ramada Inn, Friday night, Aug. 29.

Sale managers are P&F Cattle Co., Box 807, Bellville, Texas 77418, phone 713/856-3616 or in Houston 713/463-8000. Bert & Rhonda Reyes of San Antonio will be the auctioneers.

For additional information contact: Keith Moyes, Madison Bank Building, Moberly, Missouri 65209, phone 816/291-2041 or the office, phone 314/688-4306 at home; Don Thomas, Box 571, Moberly, Missouri 65209, phone 816/293-4560; or Floyd Riley, Rt. #1, Box 218, Cnrio, Missouri 65239, phone 816/277-4424.

Granada Brangus Production Sale

Set September 27

Marquez, Texas — The Granada Brangus Production Sale will be held Saturday, September 27, 1980. Sale time is 1:00 p.m. at the ranch near Marquez, Texas.

Selling will be 6 embryo donor females, 6 herd bull prospects, 46 three-in-ones, 17 bred heifers and 10 open heifers.

An open house and Embryo Transfer Seminar will be held the morning of the sale at 9:00 a.m. The sale is planned to allow Brangus breeders and enthusiasts to attend the National Brangus Show with time to attend the Granada Sale.

Auctioneer will be Gerald Bowie. For information contact Granada Brangus, P.O. Box 3128, Bryan, Texas 77801, 713/770-7000, or the sale management, P & F Cattle Co., Drawer 807, Bellville, Texas 77418, 713/856-3616.

Escoba Brangus Production Sale

Set For April 25

Tuscola, Texas — Escoba Brangus has announced the "Heritage of the Americas Sale" to be held organizations who are hard at work planning for their Fall events. Of course, Clayton Williams' Sale is next week at Alpine, Texas and I know everyone is already packing their bags for this one. Mostly, these summer months of July and August are planning months and months in which many field days are held. Our congratulations go out to Thomas Donles of Oklahoma City who was elected President of the Indian Nations Association and also congratulations to the newly formed Louisiana Brangus Breeders Association and their first President Wayne LaHays of Villa Platte. Their first sale will be coming up November 28th so it appears their Association will be one of the really active ones! One of the biggest Brangus weeks ever will begin on September 29th with the National Show of Merit and the Show of Merit Sale in Little Rock, then continuing on to Dallas for the Pan American Classic on October 3rd, the Metroplex Sale on October 4th and the sale in Waxahachie on October 5th. LOTs of up-top Brangus cattle.

We are off now (running a couple of hours later) for a swing of picture taking at various ranches — will see some of you there and will see off of you at the Fall events.

Brangus Dispersal

10 a.m., Sunday Oct. 5 At Red Oak

Red Oak, Texas — A "Brangus Dispersal" sale will be held by the Heart of Texas Ranch to disperse the Dragon Land & Cattle Herd of Brangus cattle, plus consignments from Heart of Texas Ranch and Beaver Creek Brangus on Sunday, Oct. 5, beginning at 10 a.m., at the Womahchie Livestock Auction located at Red Oak, Texas, nine miles south of Loop 636 on Interstate 35, between Waxahachie and Dallas.

Selling will be 65 lots including 30 pairs; 25 females most bred to April 25, 1981. This first annual production sale for Escoba Brangus will be held at Lemons Gap Ranch at Tuscola, Texas.

The sale offering is the result of a progressive, carefully managed breeding program utilizing the breed's most well known bloodlines.

For information contact Escoba Brangus, Box 2184, Abilene, Texas 79604, 915/698-7117.

"Timber Too," the 1980 Futurity champion, and DMA Champ 80, "Sire of Champions." Also selling will be 10 bred cows.

HCPR Timber Too 1041 was the 1979 national champion Brangus bull and the 1980 International Brangus Futurity champion bull. His service from Beaver Creek Brangus sires.

DMA Champ 800 got and served from the Heart of Texas Ranch, also will be featured in the sale.

This sale is one of several Brangus events held in conjunction with the State Fair of Texas and the American Livestock Exposition at Dallas. Brangus events include: Friday, Oct. 3, at 6:30 p.m., the Pan American Brangus Classic at the State Fair of Texas; the Brangus cattle show at the State Fair, Saturday, Oct. 4, at 5 p.m.; at the Diamond 3 Ranch at Blue Ridge with a baby hour beginning at 2 p.m. and the sale at 5 p.m.; and the Brangus Dispersal Sale Sunday, Oct. 5, beginning at 10 a.m., at Waxahachie. FOR THE
SEVENTH ANNUAL

Louisiana Simmental Association

SALE

SALE TIME: 1:00 P.M. (Lunch will be available)

LOCATION: Livestock Exhibition Barn, Dean Lee Agricultural Center on Campus of LSU at Alexandria.

AUCTIONEERS: Joe Mitcham — Jack Dillard

SELLING:

- 10 Bulls (4 Fullbloods)
- 4 Fullblood Females
- 30 Purebred Female Lots
- 20 3/4 Blood Female Lots
- 15 1/2 Blood Female Lots

As usual, the LSA offering includes cattle which can work for profit-minded cattle producers several ways. There are outstanding fullblood and purebred cows and heifers (several polled); 3/4 and 1/2 blood proven producers; outstanding club calf prospects; and breeding eye bulls ready to add pounds to your next calf crop.

If you are looking for a way to improve productivity and increase net returns, come take a look and take home a Louisiana Simmental.

Granada Embryo Transfer Company To Hold Open House

The Granada Embryo Transfer Company will hold an open house at its new facilities on Saturday, Sept. 27, at 9 a.m.

The facility, which was completed during the past year, is located on Granada Land and Cattle Company's Diamond O Ranch at Marquess, Texas. The company specializes in the non-surgical transfer technique.

The open house program includes a demonstration of non-surgical collection and transfer procedure from 9-10 a.m. Demonstrating will be Granada staff members Dr. Joe Massey, PhD, and Dr. Joe Osco, DVM.

Following the demonstration, from 10-11 a.m. the staff will conduct a discussion on the management of donor and recipient cows, procedures of embryo freezing, and overall management of an embryo transfer program.

The open house precedes Granada's annual Brangus Production Sale at 1 p.m. but representatives of all breeds are invited to attend.

Pan-American Livestock Exposition Brangus Premiums

The 28th annual Pan-American Livestock Exposition will be held in Brangus breeders and friends October 27, that will be attending the Plinos & Plains Sale, Friday, October 8, at 8:00 p.m. and judging of the open entries on Saturday, October 4, beginning at 9:00 a.m.

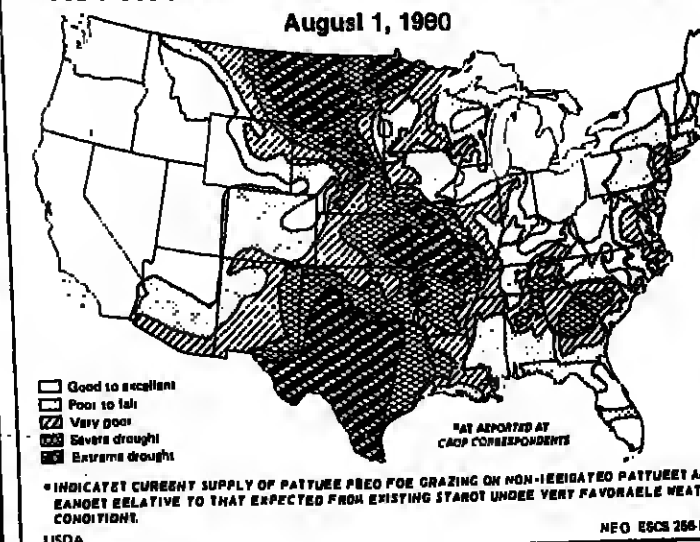

Premiums of \$5,000 for the open classification and \$1,525 for the Junior Beef Heifer Show are provided by the International and Texas Brangus Breeders Associations along with the State Fair of Texas.

Junior heifers are to be at the State Fair October 13-15, with judging beginning at 8:00 a.m., Thursday, October 16. With entries closing September 1, exhibitors should secure premium list and entry cards from the Livestock Department, State Fair of Texas, P.O. Box 28010, Dallas, Texas 75228, stated Doc Clark, Director of the Exposition.

Panhandle Directs

Amesbury, Aug. 16 (FS) — Compared to the close of last week's slaughter steers and heifers fully 1.00 higher. Tradog was active the entire week after starting moderate Friday and over the weekend. Feedlots continue to market available cattle with very few being carried over into next week. Buyers keeping good inventories with two consecutive weeks over 60,000 head. Rain late in the week throughout much of the area helped drive problems to feedyards and brought much needed relief to area farmers and ranchers. Steers 41,900; Pen choice 2-3 1050 lb. 74.25 Monday. Good and mostly choice 2-3, 70-85% choice, 1000-1175 lb. 78.00-74.00, late 78.50-74.00. Mixed good and choice 2-3 875-1200 lb. 72.50-73.50. Cows loads good, few choice 2-3 1075 lb. 70.50. Good and choice 2-3 1100-1225 lb. Holsteins 66.50-69.00, mostly 66.50-68.00. Heifers 24,900; Good and mostly choice 2-3 875-1050 lb. 68.00-70.00, late 69.00-70.00. Mixed good and choice 2-3 850-1000 lb. 67.00-69.00, late 68.00-69.00. Good few choice 2-3 760-825 lb. 67.00-67.50. Good and choice 2-4 860-1060 lb. halfbreeds 68.00-67.50, mostly 68.50-67.50.

PASTURE AND RANGE FEED CONDITIONS*

Balanced Nutrition Provided By Free Choice Program

Crete, Nebraska — Feed Service Corporation offers the beef cattle feeder a 4 and 5 point program which furnishes a proper balance between minerals, vitamins, energy and protein to encourage more efficient cattle production. The products making up the program are More Energized Liquid Supplement, Moranol Energized Supplement, and Catalyx Mineral and Vitamin Supplement. These are trademark names of FSC. Write or call today for free information and details. Feed Service Corp., P. O. Box 348 W. Crete, Nebraska 68333. Phone 800-228-4552.

Feed Analysis Laboratory

Want to have a ration's crude protein, phosphorus, calcium, and potassium content to less than 30 minutes? Just get your own Feed Analysis Laboratory. For accurate and speedy results — Hatch offers the new Feed Analysis Laboratory. You conduct exact analyses easily and quickly following easy-to-read instructions. Results are comparable to classical Kjeldahl protein determinations and the commonly used methods for calcium, phosphorus, and potassium; chemical costs are less than one dollar per sample.

All reagents and apparatus for sample digestion and protein analysis are included with the Feed Analysis Laboratory. If you need to determine phosphorus, potassium, and calcium, obtain the Optional Food Test Sets. For more information, call Dr. Harold Stern, Director of the Agricultural Division, toll-free at 1-800-347-3090. In Iowa, call collect (515) 232-2533.

Learn More About Grain Sorghum

Want to learn how to analyze sorghum test plot data to help you choose the right hybrid for your farm? You might find this information pretty handy when choosing next year's hybrids.

Agrow Seed Company recently produced a Sorghum Management Report that explains how growers should interpret and analyze test plot results. This can help you avoid choosing a particular hybrid that may have out-performed others in a state test plot, yet is still not adapted to conditions on your farm.

The report also contains information on fertilizer and seedling rates, explains how to match maturity to moisture and provides some background information on grain sorghum and Agrow hybrids that competed in state tests.

The report is available from Agrow sales representatives or you can write: Sorghum Management Report, Agrow Seed Company, 8823-190-1, Kolamazoo, MI 49001, to request a copy.

The Feed Analysis Laboratory

Griffolyn Announces Hay Covering System

With high interest rates and rising prices being of major concern to farmers and ranchers today, they are always looking for the most dependable and economical means of outdoor storage possible. Griffolyn Co., Inc., can solve these outdoor storage problems with Griffolyn's Hay Covering System.

Griffolyn's Hay Covering System includes Griffolyn nylon reinforced plastic covers, Griff Clips, and Griff Rope. Griffolyn's nylon reinforced plastic covers are available in four different grades to allow protection for every need. The covers are also available in a Black/White reversible material which will greatly reduce condensation under the cover when the white side is turned up. This will cut down on hay spoilage from mold and mildew.

After putting the Griffolyn cover on your hay stack it can easily be tied down by using Griff Clips, which are portable grammels that can be snapped onto the perimeter of the tarp. After snapping on the Griff Clips you can run Griff Rope through the eyelet in the Griff Clip and secure it to a stake in the ground or in the side of the hay stack.

Griffolyn hay covers are reusable to

give you the best protection for the least cost. For more information on Griffolyn's Hay Covering System, call Toll Free 1-800-231-8074 or write: Griffolyn Company, Inc., c/o Jerry Stephenson, P. O. Box 33248, Houston, Texas 77039.

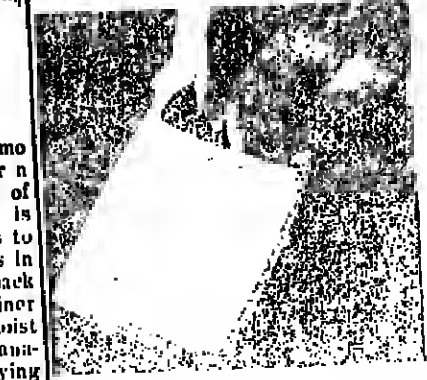

Furadan Offers Free Nematode Assaypack

Summer through fall is the best time to collect soil and root samples for a nematode assay. The manufacturer of the insecticide/nematocide Furadan is offering free nematode Assaypacks to farmers wanting to collect samples in their crops this year. The Assaypack is a protective bubble-pack container designed for mailing the large, moist soil samples required for proper analysis. Laboratories charge varying

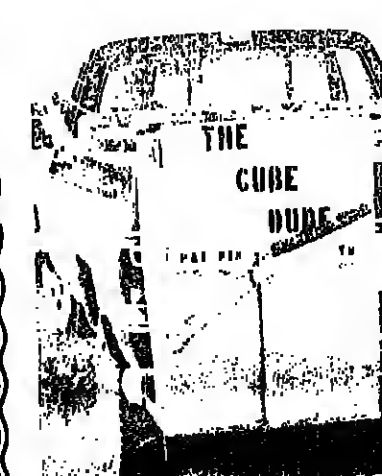

amounts for the assay and will report back how many of each species of crop damaging nematode are present and recommend treatment if populations are above threshold levels.

Attached to each Assaypack is a sheet with sample collecting instructions for all crops and information forms to be sent to the lab with the sample. A list of all university and private laboratories doing nematode assays in the U.S. is also included.

For your free Assaypack write Arthur Yocom, FMC Corporation, 2000 Market Street, Philadelphia, Pennsylvania 19103.

"Change Cube Feeding Simplified"

The Cube Dude "Removable Range Cube Dispenser"

The new "CUBE DUDE" makes supplemental feeding easier and faster. Cubes are distributed evenly as the operator drives along, opening the gravity flow hopper door by pulling a rope from within the cab. Cubes can be dispensed in a long line or in piles as the truck moves along. Easily mounted on truck tailgate or optional bracket.

- SAVES TIME & LABOR (one man operates)
- WEIGHS ONLY 70 LBS (holds 300 lbs. of cubes)
- ONE OR MORE UNITS CAN BE USED AT THE SAME TIME
- COMES READY TO USE — EASILY MOUNTED

Texarkana Wood Preserving Has Served Cattlemen 20 Years

Texarkana, Tex. — Since 1961, Texarkana Wood Preserving has manufactured a complete line of pressure treated lumber, timber, cross ties, fence posts, poles and poles and fencing to fill any need for the rancher and cattlemen. They also feature Creosote Penta-Cea. Mr. Ron Echols end all the friendly personnel will be glad to help you with any of your lumber, fencing or post needs. Deliveries can be arranged. For more information call or write Texarkana Wood Preserving Co., P.O. Box 186, Texarkana, Texas 75501, phone 814-798-8473.

New Gooseneck Trailer Coupler With Guide Ramp

Wahoo, NE — Helistar Corporation of Wahoo, Nebraska, is now manufacturing a new heavy-duty belt-type gooseneck trailer coupler called the Posi-Latch. Designed for trailers used in the agricultural, construction and horse-trailer industries, the new Posi-Latch features an exclusive "guide ramp" for automatic one-man latching and quick and easy hook-up.

Other features include a versatile design which allows connecting and disconnecting at virtually any angle, even 90 degrees; automatic positive latching and an accommodation for padlock locking.

The Model HH-24 is used with a 2 1/2" x 10" ball and is rated at 24,000 lbs. GVW.

The Model HB-30 is used with a 3" ball and is rated at 30,000 lbs. GVW. Helistar also offers a swing-away hitch ball assembly which can be folded down without tools to allow unobstructed use of the truck bed.

For more information, contact Russ Maxwell, National Sales Manager, Helistar Corporation, 1600 N. Chestnut St., Wahoo, Nebraska, 68066; phone, 402-443-4127.

Be sure and read "NEW STUFF" in the Weekly Livestock Reporter. It will be a monthly feature.

Hay Van Round Bale Handling Equipment A Unique System

The Hay Van people have developed a truly unique system for handling, loading and transporting big round bales. Hay Van Company offers everything from a single cradle to a six-bale van. The three, four and five-bale models come with a bumper hitch. The four, five and six-bale models are available with a hook-type hitch and all the vans have draw bars in the rear so they can be used alone or in combination. All the Vans are constructed of heavy-duty steel, have tandem axles with electric brakes, six leaf heavy-duty springs, lights and turn signals. They are all roadworthy, safe to use, and easy to operate. There are no hydraulics, conveyor chains, or other mechanical moving parts to break down. Because of their maintenance-free design, you can expect years and years of service, without having to work on them today to use them tomorrow.

The Hay Van people also make a front end rear loader that can be used for almost any kind of tractor. The Hay Van gin-pole loader can be used for manual loading. It comes with a chain that wraps around the bale, pulls the bale up as you wheel and pulls the bale right into the cradle. An electric module is also available for the gin-pole loader.

To handle your feeding needs, Hay Van makes double diamond feeders which are designed for easy handling and transporting. They allow the cattle to collapse the feeder on the bay to prevent scattering and give a more complete clean-up. Vans, loaders, feeders — Hay Van System equipment was designed by ranchers, for ranchers. Whether it's field to storage, storage to feeding, or other transporting of bales, the Hay Van people know what it takes to get you hauling. For more information write or call Hay Van, Inc., 10400 North Central Expressway, Dallas, Texas 75221, Suite 310. Phone 214-368-7018.

The innovative chute, which retails

for approximately \$500, is available in a choice of two automatic headgate. The portable and automatic combination makes it possible for one man to easily work bales in multiple locations. For information write Wadler Mfg. Co., Inc., Route 2, Box 76, Galena, KS 66739.

New Porto-Chute By Wadler Mfg. Co.

Galena, Ka. — A portable chute and automatic headgate, that can be completely disassembled in two minutes has been introduced by Wadler Manufacturing Co. of Galena, Kansas.

The five-piece Porto-Chute folds up into a neat, pickup size stack that is only 18 inches high. Even though it weighs a total of 455 pounds, it can be easily loaded and unloaded by a single person. The largest, individual piece weighs just over 85 pounds.

Rugged and heavy-duty, the Porto-Chute is made of welded, one-inch tubular steel end has an oak floor that is two inches thick. Its stall size is 23" X 80", small enough to prevent calves from turning, yet big enough to contain the largest bull.

Either side panel can swing open in left or right-hand directions. This versatility is made possible by a single hinge and drop bolt mechanism mounted on both ends of each panel.

The innovative chute, which retails

for approximately \$500, is available in a choice of two automatic headgate. The portable and automatic combination makes it possible for one man to easily work bales in multiple locations. For information write Wadler Mfg. Co., Inc., Route 2, Box 76, Galena, KS 66739.

"NEW STUFF" (continued)

New Rat Control Weapon For Farms Introduced

A new weapon in the farmer's war against rats catches rodents in glue traps like flypaper catches insects. "Stick-Em" Glue Traps in two sizes, for mice and for rats and mice have been introduced to the agricultural market by J. T. Eaton and Company, Inc., Twinsburg, Ohio.

The leakproof, plastic traps are safe, nonpoisonous, springless, and disposable. The product poses no danger to children, pets, or other farm animals. Glue traps are very effective in

causing rats run in predictable paths, usually along walls. Rats do not show shyness to the type of trap as they do to other devices like snaptraps.

In addition to glue traps, Eaton recommends placements of anticoagulant rat bait every 30 to 40 feet in and around farm and livestock buildings, including homes, barns, storage bins, and other structures. Since rats travel only about 100 feet to get food, Eaton also suggests placement of bait stations up to that distance out from farm buildings.

You want to take out the rodent colony around the building and also catch any migrant rat to prevent a new

Bale Transport Attachment Introduced By Donahue

The Donahue Corporation has introduced a new transport attachment for hauling several large round bales at once, designed to fit all Donahue Implement Carriers, a wide variety of farm trailers and flatbed trucks.

Each bale cradle is hinged so it can be unloaded individually by simply pulling a lever located on the unit — or a full row of bales can be unloaded at once by pulling a master lever.

Standard units are available with either two or three bale cradles, which can be used alone or bolted together end-to-end for use on a wide variety of trailer or truck bed sizes.

A 9 ft. by 28 ft. Donahue Implement Carrier can accommodate 10 bale cradles in two rows of 5 each. Narrower Implement Carrier models will handle a single row of up to 5 cradles.

The attachment can be used during haying season to transport bales from field to storage area. And in winter, it is an ideal one-man feeding system since bales can be unloaded individually.

For complete information, contact The Donahue Corporation, Durham, Kansas, 67438.

New Low-Cost High-Powered Ramrod

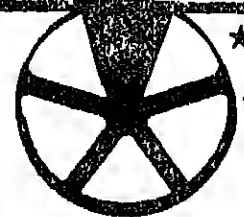

Livestock handling is easier and faster with the new high voltage "Ramrod," the "Jaka charge" cattle prod from Franklin. The wide-spaced electrodes prevent shorting out and allows the "shock" to get through heavy dirt and matted hair. The activator buzzer "sounds off" so you can hear it working.

Designed for tough use, the Ramrod features heavy insulated wires in a flexible shaft with a high-impact polycarbonate handle and tip. Unique switch guard protects against accidental turn-on when laid aside or stored. Easy to use too, as the 36" Ramrod is almost perfectly balanced.

Low initial cost is combined with low operating cost in that only four "C" size batteries are needed. Ramrods are available through animal health suppliers. For more information, write to Franklin Laboratories, P.O. Box 22395, Denver, CO 80222.

New GT Well and Tube Augers Providing Efficient Bin Unloading

Gilmore & Tague announces two new lines of economically priced well and tube augers. Both are designed for grain bins ranging from 14 ft. to 47 ft. in diameter.

One model was developed for bins with concrete floors and must be installed when the floor is being poured. The other is for bins with perforated drying floors, and is installed under the floor when the bin is erected.

Either type is available in standard 4-in. or 8-in. diameters, and in length to suit bin size. Components include: center well approximately 12 in. deep, with full open gate; tube with flange and flange cover - all completely galvanized.

Optional galvanized intermediate wells and handles are also available. For further information, write: Gilmore & Tague Mfg. Co., Inc., Box 625, Clay Center, Kansas 67432.

The Pacific Ocean is 5,000 miles long and 10,300 miles wide, occupying more space than all the land on earth.

"NEW STUFF" (continued)

Murphy Products Introduces New Cattle Block, "Stimulator"

A highly effective new cattle block for use with dry cows, heifers or beef cattle is now being marketed by Murphy Products Company under the name "Stimulator." This new cattle block provides a combination of Intraosil appetite stimulation, improved rumen bacterial activity and an excellent source of balanced nutrition.

The combination of better appetite stimulation, better digestion and better nutrition provides a "chain reaction" that promotes better utilization of homegrown roughage. Stimulator cattle blocks induce cattle to eat better. Digestion is aided through the Intraosil rumen bacterial activity. This better digestion helps break down roughages faster. Faster and more complete roughage breakdown not only allows for greater total consumption, but also helps cattle make better use of lower quality roughage, resulting in lower feed costs, lower herd health problems, increased conception rates, heavier calves at weaning and an overall improvement in feed conversion.

These new Stimulator cattle blocks were evaluated extensively by Murphy Products Company in a 1979 market testing program in the livestock areas around Olive Branch, Mississippi and Longview, Texas. Dairywomen and cattlemen who have used these blocks report outstanding results.

In order to make the blocks more widely available, Murphy has entered into agreements with several dealers. For the name of the nearest dealer in your area, write to Stimulator Cattle Block, Murphy Products Company, 9490 Lamar Avenue, Olive Branch, Mississippi 38664, or Murphy Products Company, 220 Progress Blvd., Longview, Texas 75601.

When writing or calling Murphy Products and Suppliers whose products and services appear in The Weekly Livestock Reporter, please mention our name. Thank You.

NEED A 40% RETURN!

If you are now receiving a 6% - 14% return on your investment (C.D.'s, bonds, dividends, etc.) After taxes and inflation, you are losing over 5% per year on your dollars.

In today's economy you need a good hedge investment that has been doing in excess of 25% a year. We are the oldest investment company of our kind in America - recommended by leading financial periodicals - and have been providing an investment that has been averaging better than 40% per year for the last six years. It has not gone down in value for 45 consecutive years.

Box 390, Mansfield, Texas, 76063, phone 817-477-3134 or 477-2606, for more details.

New U.S. Steel Fence Building Manual Available

Pittsburgh, Pa. - "How To Build Fences With USS Max-Ten 200 High-Tensile Fence Wire" is the title of a new manual just published by U.S. Steel. The result of more than six years of applications research and in-service testing, USS Max-Ten High Tensile Wire is being called, "the most significant development in fencing in over 100 years."

The manual's 76 fact-filled pages explain how to plan and build your own fence electric or electrified high-tensile wire fences for confining sheep, cattle, horses, hogs and goats, or for excluding a variety of predators.

The new fence manual includes dozens of fence designs and guidelines for specifying the posts, wire, tools and hardware. It also gives step-by-step procedures for estimating fencing materials, laying out the lines, erecting fence assemblies, driving the posts, stringing, stapling and tensioning the wires, plus installing gates.

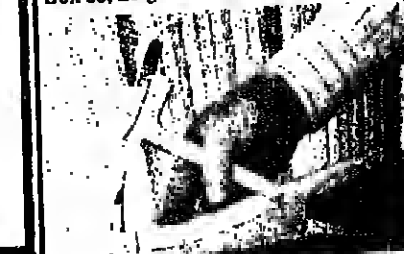

A major portion of the manual discusses utilization of the new high-voltage, low impedance electric fence energizers. And, there are many tips and money-saving tips, as well as safety precautions necessary for building high-tensile wire fences.

To order your copy of "How To Build Fences With USS Max-Ten 200 High-Tensile Fence Wire," send check or money order - payable to United States Steel - for \$6.00 (plus \$1.50 for postage, handling and applicable sales tax) to: Manager, Wire Products, U.S. Steel, P.O. Box 80 1A-61R, Pittsburgh, Pa. 15220.

Circle No. 68 On Reader Info. Coupon

I just returned from a swing through the panhandle of Texas and down through Oklahoma. Even though these areas are dry, they still have a lot of feed and the cattle are in good condition. I didn't see any feedlots that looked full and most of the cattle were current.

Byron Thomas of White Deer, showed me around the Pampa-Candian area. Byron is a former ag teacher who is presently backgrounding steers for a large feedlot. He has put together a good herd of cows that are mostly Superior Land & Cattle Co. and Doyle May breeding. I was impressed with how Santos are doing in that high dry country. They are taking hold in what was traditionally Hereford country. The motley faced calves are the kind the feeders like. Everywhere we went the Santos were out grazing in the middle of the day, while the blacks and white faces were hanging around the winter holes and looking for shade.

Byron's neighbor at Miami, Texas, is Eldon Flowers who has also been putting a good herd of cattle together. His basic breeding is Superior Land & Cattle Co., May Ranch and some cattle he bought from Texas Tech.

As we rode around that old hot and dry country and dropped off into the Canadian River bottom, my thoughts wandered back to the days of the trail drives. Goodnight, Chisholm and some of the other trail drivers came through there on their way north with three to five year old steers weighing less than 1000 pounds. If they could see the changes and improvements that the cattle industry has made, they wouldn't believe it.

The use of the American breeds on European cattle is producing 1000 pound plus yearlings — that is quite a change! It is my opinion that Santa Gertrudis can and are meeting the demand in that area by supplying fatter gain and better doing cattle.

Speaking of better doing cattle, if you are needing to add size, bone and growthiness to your herd, don't miss the Cosgrove Classic August 29th, at Tulsa, Oklahoma. The Cosgroves are selling one of the finest offerings I have ever seen in the Santa Gertrudis business. The offering is centered around Cosgrove "10" and Cosgrove "25" and the production of their Get. Featured in the sale is a proven herd sire, number "35". Fifteen females with calves at side are by "35" will also sell. The high dollar buyer and the high volume buyer will each get six ampules of semen from "74".

S.G.B.I.'s President has requested that all members of the association that want to serve on a committee let him know. Here is your opportunity to be a part of the policy making in S.G.B.I. Get those cards and letters rolling!

The Fall Show Season is upon us. Here are a few of the show dates: Decatur, Ala., Sept. 10 at 7 PM; Naabville, Tenn., Sept. 17 at 9 AM; Memphis, Tenn., Sept. 22 at 9 AM; Longview, Tx., Sept. 9 at 2 PM; Hempstead, Tx., Sept. 12 at 2 PM; Brenham, Tx., Sept. 18 at 8 AM; Tyler, Tx., Sept. 24 at 9 AM; Tulsa, Okla., Sept. 27 at 8 AM; Dallas, Tx., Oct. 6 at 9 AM; Beaumont, Tx., Oct. 11 at 2 PM and Shreveport, La., Oct. 24 at 4 PM. This should be a season filled with a lot of interesting show results. Come join us. See you down the road....

King Ranch Sets 29th Annual Sale Saturday, Oct. 4

Kingsville — The 29th Annual King Ranch Foundation Sale of Santa Gertrudis cattle and Old Sorrel Quarter Horses will be held on Saturday, October 4, at the King Ranch, Kingsville, Texas.

This year's sale will feature approximately 20 top bulls from the Ranch's foundation Santa Gertrudis herd. For the first time ever, the Ranch will offer cows with calves at side and bred back in addition to approximately 85 two-year-old heifers safe in calf to sons of King 55, the Ranch's superior sire and the country's first three star bull.

Approximately 30 colts and fillies, primarily the exceptional get of the Peppy, the Ranch's "Little Peppy" and his World Champion sire, Mr. San Peppy, will also be featured at the sale. The Quarter Horse sale will begin at 10:00 a.m. and the Santa Gertrudis sale at 1:30 p.m. at the King Ranch.

This year's sale is dedicated to Librado Maldonado, the Ranch's master showman and first showman of the Santa Gertrudis breed. Maldonado has been employed with the Ranch for more than 50 years and the sale is being dedicated in appreciation for his service.

Last year's King Ranch Sale brought in a total of \$487,500 for 26 bulls, 46 heifers, 10 stallions and

Special guest consignors will be Bill Deagen & Sons of Sutherland Springs, and special polled consignments from the Estate of Frank Schuster at Alamo.

Over 100 lots of proven quality Santa Gertrudis cattle will sell including three-in-ones, herd sire prospects, heifers and pen females, an excellent group of bred heifers, haltered and pen bulls, and show heifer prospects.

Auctioneer will be Gerald Bowle of West Point, Ga.

The Briggs Ranches are the San Roque Ranch at Catarina, Texas 78838, and the Broken X Ranch, San Antonio, Texas 78297. Further information may be obtained by contacting Mrs. R. W. Briggs, Sr., Box 1981, San Antonio, Texas; R. W. Briggs, Jr., Box 1981, San Antonio, Texas; or Seth M. (Mac) Woods, manager, phone 512/099-3238.

(CONT. FROM PAGE 6B)

be 8 in one packages, proven herd sires, bred and open heifers. All of the cattle have been tested for Bangs and TB and are eligible for shipment throughout the U. S.

All bulls have passed a semen test and all females 24 months of age or older are safe in calf and/or nursing a calf.

The Polled Sale is being held in conjunction with the National Santa Gertrudis show at Tulsa. The show is scheduled for 8:00 A.M., September 27th.

Auctioneer for the sale will be Bill Jordan of Hempstead, Texas. For additional information and catalogs contact the Sale Manager, Buddy Smith, Superior Sales, Rt. 2 Box 845, Huntville, Texas 77840, Phone: 718/291-1891.

Connolly Santa Gertrudis Sale Set Sept. 30, Floresville

Floresville — The Connolly Ranches Santa Gertrudis Production Sale will be held Tuesday, Sept. 30, beginning at 12 noon, at the Connolly Ranch at Floresville. Selling will be 80 bulls and 40 bred females.

Gerald Bowle of West Point, Ga., will be the auctioneer.

For further information contact Robert Ammann, manager, phone 512/888-4885.

Inflation Hedge.

Santa Gertrudis-Hereford cow with 1/4 Santa Gertrudis calf

Ernest Hunt of Olney, Texas, owner of the Hashknife Ranch, uses Santa Gertrudis bulls on some of his reputation Hereford cows.

Last fall, his crossbred steers paid on 622 pounds, his Herefords on 498. Sold at the same price per pound, the Santa Gertrudis calves returned \$117.80 more per head than the Herefords.

Kentucky National Santa Gertrudis Show & Sale Set

Louisville, Ky. — The Kentucky Santa Gertrudis Association in conjunction with the Kentucky Department of Agriculture is once again planning one of the hottest shows and sales ever made available to Santa Gertrudis breeders.

The Kentucky National Show and Sale will be held in Louisville, Kentucky, in conjunction with the North American International Livestock Exposition which is an approved S.G.B.I. show.

The open show cattle will be housed with the futurity sale cattle in a spacious, air-conditioned facility that is second to none. The Futurity Show is scheduled for November 17, at 9:00 A.M., followed by the sale at 2:00 P.M. The S.G.B.I. open show is to be held November 18th.

As an added incentive, the Kentucky Department of Agriculture has contributed \$6000.00 for the Futurity. \$2000.00 of this is earmarked for advertising while the other \$4000.00 goes toward premium monies. This \$4000.00 plus entry fees will make the Futurity show premiums total over \$6000.00. Nomination fee, \$100.00 per head, should be sent to Superior Sales, Rt. 2, Box 345, Huntsville, TX. 77340.

Buddy Smith of Superior Sales will manage the sale. Gerald Rowle, West Point, Georgia, will serve as auctioneer.

For further information write: Superior Sales, Rt. 2, Box 345, Huntsville, TX. 77340.

Feeder Cattle, Calves Higher Last Week

St. Joseph, Aug 15 (USDA) — National feeder cattle and calf receipts 212,900, last week 178,500, year ago 142,500. Feeder steers and heifers steady to 3.00 higher, most advance on steers. Increased movement of feeders, especially west coast. Improved demand for feeders based on higher slaughter cattle trade as feed cost continued to rise. Seasonal short supply of calves in midwest and west.

NEWS about LIMOUSIN

Wiggins "Who's Who" Limousin Sale Set For August 30

Marble Falls, Texas — The Wiggins Ranch Company "Who's Who Limousin Sale" will be held Saturday, August 30, 1980. Sale time is 12:00 noon at the Happy Hills Ranch at Marble Falls, Texas.

Featured will be the sale of some of the most prestigious Fullblood Limousin Cattle to sell from the Wiggins Herd. The offering will include WRC Brightie Bx207 254K, a full sister to the \$55,000 Debant; WRC Fennebelle 255K, out of the Limousin cow Gloria; WRC Christmas Son 302K, a son of Carnival out of Deborah; five daughters of Deborah; and five daughters of the Limousin cow Frida.

As an added feature, with each open fullblood heifer selling, the buyer can select 2 ampules of semen from any of the WRC herd bulls.

In addition to the fullblood offering, Wiggins Ranch Company will offer a select group of percentage cows with calves at side. For the 4-H and FFA projects, WRC will sell a super group of club calf prospects, both heifers and steers.

For catalogs and complete information contact Wiggins Ranch Company, Happy Hills Ranch, Henri DeLobbe, Manager, 512/693-4157, or the sale management, American Cattle Services, Rt. 2, Chattanooga, Ok. 73528, 405/335-3008.

C&F Farms Limousin Production Sale Set For September 20

Oklahoma City — C&F Farms 2nd Annual Limousin Production Sale will be held Saturday, September 20, 1980. Sale time is 1:00 p.m. at the C&F Farm headquarters located 2 miles south and 2 miles east of Tribbey, Okla. (approximately 1 hour southeast of Oklahoma City).

Selling will be full French Limousin bulls, fullblood and purebred Limousin cows with calves, bred 75% Limousin halfbreed, bred 75% cows, 50% cows and percentage bulls. The offering will include the entire C&F Farms 50% and 75% cow herd.

For information contact C&F Limousin Farms, Rt. 1, Box 212, Macomb, Ok. 74652, 405/333-2633 or 1435 S.W. 71st, Oklahoma City, Ok. 73159, 405/691-0923; or the sale management, American Cattle Services, Inc., Rt. 2, Chattanooga, Ok. 73528, 405/335-3008.

Overweight just ankles up on you.

Limousin Board Creates New Position For Communications Director

Denver — The North American Limousin Foundation (NALF) board of directors voted to expand the NALF staff by hiring a communications director. The decision was handed down during the board's recent meeting, held July 31 — Aug. 3, 1980, says Greg Martin, NALF executive vice president.

The job will consist of preparing news releases on national Limousin events, writing special stories for livestock publications and assisting in the development of the NALF advertising program. In addition, the new position will include breed promotion by preparing brochures, pamphlets, flyers and audio-visual presentations. The job may also entail assisting state Limousin associations in developing promotional and advertising programs at state and regional level.

Job qualifications include experience in journalism and public relations with an emphasis in animal science. A degree in journalism is preferred. Qualified applicants should send a resume and application letter to Communications Director, NALF, 100 Livestock Exchange Building, Denver, CO, 80216.

Limousin "On The Hill" at 1981 National Western

Denver — Limousin activities will again kick off Denver's National Western Stock Show and the 1981 event promises the greatest display of quality cattle in the breed's history as the National Limousin Show and Sale will be held, for the first time, "on the hill."

Limousin events will begin with the annual open committee and business meetings Jan. 14. That evening, a party and dance featuring Bonnie Nelson will take place. Highlighting the evening will be the crowning of the 1981-82 National Limousin Queen.

The show of the National Limousin Sale cattle will commence the morning of Jan. 15 in the Stadium Arena. That afternoon, junior exhibitors will be spotlighted during the National Western Junior Heifer Show.

Following the junior heifer show, there will be a pre-sale cocktail party in the National Western Club. At 8 p.m., the National Limousin Show and Sale will start the National Limousin Sale, to be held in the Seef Palace Sale Arena, "on the hill."

Beef enthusiasts will be treated to a double helping of quality as the National Open Limousin Show will take place Jan. 16. A new addition, this event easily could be the largest Limousin show ever held in North America, says Greg Martin, Limousin Foundation executive vice-president. "A total of \$4,000 in premium money with another \$2,000 in plaques and awards will make this one of the most prestigious Limousin shows ever," Martin states.

Saturday will conclude the week with the Pen and Carload Bull Show in the yards and Martin expects the 1981 Limousin bull show to be even bigger.

Again this year, there will be a separate class for Limousin feeder calves. The Junior Market Steer Show will go back to showing by breed with a separate class for Limousin.

For more information on Limousin events at the National Western Stock Show, contact the North American Limousin Foundation (NALF), 100 Livestock Exchange Building, Denver, CO, 80218 — phone (303) 823-8544.

The reason that talk is so cheap is because the supply exceeds the demand.

Texas Junior Limousin Heifer Show at Brownwood

The newly organized Texas Junior Limousin Association held its first heifer show at Brownwood, Dr. L. D. Wythe, College Station, Texas was judge for the event. Class winners were: Paige Bingham, Justin, Greg Bales, Brownwood; Neil Scott, Rising Star, Sam Scott, Rising Star; Brett Bales, Justin; and Amy Bailey, Brownwood. Reserve Champion heifer was shown by Paige Bingham. Reserve Champion heifer was shown by Paige Bingham. Champion heifer was shown by Paige Bingham. Champion heifer was shown by Paige Bingham.

Those selected to serve on a three-man judging team to compete at the National Junior Limousin Heifer Show were: L. G. Jones III, and Theresa Scott. After a hard 11-hour lunch election of officers was held, the eligible for an office five directors, chosen by the Texas Limousin Association.

Officers elected are president, Neil Scott; vice president, Laurie Mott; secretary, Tracy Stepp; treasurer, L. G. Jones III; and Public Relations, Theresa Scott. Rising Star, the Limousin Queen is Jackie Hutchins, Dilly, Texas.

Sponsors for the TJLA are Mr. & Mrs. Ray Shaw, Dillard; and Mr. & Mrs. Peyton Scott, Rising Star. For people not older than 21 years are invited to apply for membership in the TJLA.

Future plans of the TJLA include business meeting and party during the State Fair of Texas, a business meeting during the Fort Worth Stock Show, a field day and heifer show in the summer of 1981.

For membership information contact any member or write Mrs. Peyton Scott, Route 1, Rising Star, Tex 76471.

Eastern Kansas Directs

Dodge City, Aug. 14 (USDA) — Slaughter steers and heifers steady, steers 50 higher. Dates Set for 1980 TCFA Convention

Amarillo — The 1980 convention of the Texas Cattle Feeders Association is slated for Oct. 19-21. Convention headquarters is the Hilton Inn of Amarillo. "Cattle feeders from more than a dozen states will be on hand for this year's convention," said TCFA Membership Director Jim Peterson. "Amarillo is the heart of Texas cattle feeding and the headquarters for TCFA, so it's only natural to return here for our convention." Peterson said the program of the three days of activities will be finalized by Sept. 1. For more information about the convention, contact Jim Peterson at 1-808-358-3881.

Duke Named New President of Texas County Agents Assn.

San Antonio — New officers of the Texas County Agricultural Agents Association for 1980-81 were named and installed here Aug. 6, closing out a three-day annual meeting. Hollis D. Duke, Atascosa County agricultural agent at Jourdanton, was elected president to succeed Calnea Franks of Amarillo. Potter County agent Rayford C. Kay of Houston, Harris County agent, was named first vice-president, the position formerly held by Duke. Johnny E. Gatos, Wood County agent at Quitman, was elected second vice-president, and Gordon L. Ford, Franklin County agent at Mt. Vernon, was selected secretary-treasurer. The new officers, along with immediate past president Calnea Franks, make up the

executive committee of the county Agricultural Agents Association.

Apache Friday
Apache, Okla. Aug. 15 (USDA) — Receipts 1,400. Feeder steers 8.00-4.00 higher, heifers 2.00-3.00 higher. Cows 1.00-2.00 higher, bulls 1.00 higher. U. S. egg production, totaling 89.1 billion eggs, was up three percent in 1979, according to Sperry New Holland.

Help Your Fellow Texans Through the Red Cross

Once again, Texans living along the coast have suffered from winds and flooding following a hurricane—this time Allan.

As it joins the grim ranks of earlier hurricanes, one thing is certain—the recovery effort will cost millions.

Texans are traditionally tough and self-sufficient, but this time they'll need your help to put the pieces back together again.

Help your fellow Texans!

Send your tax-deductible contribution earmarked "Hurricane Allen Red Cross Recovery Fund" to your nearest Red Cross Chapter. Allen's victims and Red Cross thank you.

Texas Polled Hereford NEWS

by Normen Cabenise
The 1980 Texas Polled Hereford State Show will be held in Brenham Saturday, Nov. 8, at 9 a.m., and we now have entry forms. Come by and visit a while and pick yours up. Or we'll mail them to you if you let us know. Activities begin with all cattle arriving before 8 p.m., Thursday, Nov. 6. The Texas Junior Polled Hereford Assn. state show will begin at 8:30 a.m., Friday, Nov. 7, and will be followed by a cow-calf clinic at noon that day. Judge for the state show will be John Meyer, Herdsman at the Beef Cattle Caster of Texas A&M University.

The TPHA board's State Show Committee will hold a drawing to give a pair of tickets worth about \$800 to pay some lucky couple's expenses for the trip to the 1981 National Polled Hereford Show in Denver. We have them at the office, or you can get yours from any TPHA director. The drawing will be held at the 1980 State Show in Bryan.

Oops. We're late again with the 1980 Directory. One reason was that when I checked over some of the color work being done on the directory, it didn't look up to our standards and therefore, I required that certain parts of it be reprinted. I have seen the reprinted material and think you will be pleased with it. Thanks for your patience.

Joe Dan Weedon did a good job of planning and organizing the West Texas Polled Hereford tour. Everyone enjoyed the deer and dance July 11 at the Ranch House Restaurant in Brownwood. There were 117 people aboard the buses the next day who saw a lot of top cattle during stops at the Melvin Ranch at May, the Chambers Ranch,

Weedon Ranch at Brownwood, Garland Abbey's, Charlie & Jeanne Abbeys, Jim and Fay Gill's, and Oscar Gould's places at Coleman.

Our congratulations to Joe Dee and Dr. C. B. Cathy on first prizes in the "same-the-calf" contest, and Jack Rowland for placing first in the judging contest.

Congratulations, too, to Willem Merk Arnold of Eads and Kevin Flestad of Clinton, winners of holders donated to the CTPHA by A. L. Hester of Valley Mills and Dane Bailey of Valley Mills. The winners were chosen by a committee made up of Jack Simpson of Hillsboro, Joe Bob Ficklin of Valley Mills and Joe Den Woodson of Brownwood. The winners will return the first calf to the CTPHA after feeding and caring for the heifers and exhibiting them at this fall's CTPHA show.

Here's some more important details to mark on your calendar.

The CTPHA Show and Sale in Clinton Oct. 24 and 25. Dr. Larry Doleman of Bryan will have the difficult task of choosing the best of a bunch of fine steers. There will be about 40-50 bulls and 20 females. Entry forms are being mailed to CTPHA members now. Other interested persons should contact Kenneth Redde, CTPHA secretary-treasurer, at Rt. 2, Meridian, for entry forms. Joe Weedon of Brownwood will be this year's CTPHA show and sale honoree.

Rod Leonard of Upjohn Company gave an interesting program on use of Lutalyse in estrus synchronization and pointed out the critical areas of nutrition, herd health, facilities, semen handling and record keeping to make such a program successful for the Aug.

Yowell Polled Hereford Sale Nov. 3, Killeen

Killeen — Bill and Pat Yowell, owners of Yowell Ranch, will hold their annual Polled Hereford production sale on Monday, Nov. 3, at the ranch near here.

Selling will be 65 lots. The Yowells presently have an outstanding set of young heifers that are being bred.

Their hard bull battery includes: Beartooth Benchmark, BT Round-up Cal 88D, RWJ Victor Domingo JS 260, SSS Victor 212 1920, FR NewTrend 82G and TS Victor 2445.

For further information contact Yowell Ranch, Route 1, Box 63E, Killeen, Texas 76541; Bill Yowell, 817/694-7008; or Pat Yowell, 817/698-2992 or 884-6900.

Mescalero Apache Contract Cattle Sale Set Aug. 23

Mescalero, N.M. — The 19th Annual Mescalero Apache Cattle Growers Contract Auction Cattle Sale and Range Tour will be held August 23, 1980. The tour will begin at 7:00 a.m. and the sale will start at 11:00 a.m.

Selling will be approximately 2,100 calves, 300 old cows and 30 old bulls.

For information contact Mescalero Apache Cattle Growers, Box 152, Mescalero, N.M. 88340, N.E. Britton, Manager, 505/871-4440 or 505/854-2887; or Bill Johnson, Auctioneer, 505/358-5882 or 858-3885.

A meeting of the Metroplex Polled Hereford Assn.

TPHA Activities Set Feb. 1-3 in Fort Worth

The 1981 state membership meeting of the Texas Polled Hereford Association will be held in conjunction with the Joe Weedon Standard of Perfection Polled Hereford Show during the Southwestern Exposition and Fair Stock Show in Fort Worth.

Activities begin with the TPHA board meeting at noon, Sunday, Feb. 1, followed by the Junior Polled Hereford heifer show at 2 p.m.; the membership meeting at 6:30 p.m. at the Hilton Inn, and a cocktail hour from 7 to 8 p.m. On Monday, Feb. 2, the new board of directors will meet at 7:30 a.m., the Pol Elites meet at 8:30 a.m., the sale will be paraded at noon, and the South-west Select Polled Hereford Sale will begin at 2 p.m. A luncheon at 7 p.m. will be followed by a dance at 8 p.m. to the music of Sammy White and The Broken Wheel.

The Standard of Perfection Show at 8:30 a.m., Tuesday, Feb. 3, will honor Joe Weedon of Brownwood.

Six Angus bulls averaged gaining 3.29 pounds per day; four Charolais 4.05 pounds per day; two Herefords 3.71 pounds per day and three Red Angus 3.88 pounds per day.

Duane McDowell of Fort Worth had three Charolais bulls that posted gains of 4.07 (two); and one at 4.84 pounds per day; David Brown of Sherman had three Red Angus that posted daily gains of 3.21, 3.42 and 3.48 pounds; Knox Polk of Grandfield, Okla., a Charolais that had an ADG of 4.09 pounds; Dale W. Gesser of Durant, Okla., had three Angus that posted gains of 2.07, 2.82 and 3.82 pounds per day; R. S. Conner of Fort, Texas had two Herefords that gained 3.14 and 4.28

Cooke County College Bull Test Report

Geineville, Texas — In bull gain test No. 29 at the Cooke County College Beef Cattle Evaluation Center at Geineville, the 15 bulls averaged gaining 3.58 pounds per day during the 21-day term-up period and 140-day testing period at an average feed cost of \$55.25 per 100 pounds of gain, said T. J. Davidson, test director.

Six Angus bulls averaged gaining 3.29 pounds per day; four Charolais 4.05 pounds per day; two Herefords 3.71 pounds per day and three Red Angus 3.88 pounds per day.

Duane McDowell of Fort Worth had three Charolais bulls that posted gains of 4.07 (two); and one at 4.84 pounds per day; David Brown of Sherman had three Red Angus that posted daily gains of 3.21, 3.42 and 3.48 pounds; Knox Polk of Grandfield, Okla., a Charolais that had an ADG of 4.09 pounds; Dale W. Gesser of Durant, Okla., had three Angus that posted gains of 2.07, 2.82 and 3.82 pounds per day; R. S. Conner of Fort, Texas had two Herefords that gained 3.14 and 4.28

per day; Mark Wheeler of Wynnewood, Okla., had an Angus bull that gained 4.07 pounds per day; and Greg Brewster of Maricopa, Okla., had an Angus that gained 3.85 and 3.00 pounds per day.

The Standard of Perfection Show at 8:30 a.m., Tuesday, Feb. 3, will honor Joe Weedon of Brownwood.

Dr. Doyle Chambers, vice chairman for research and the director of the Louisiana Experiment Station, Louisiana State University, Baton Rouge, has been named to the American Polled Hereford Association's Hall of Merit for his outstanding contributions in the field of education and research. This year's education and research recipient, Dr. Chambers has made contributions in many areas — beef cattle breeding and management, disease and parasite control, forage production and pasture management. Throughout his career, the beef industry has been the beneficiary of Chambers' work.

C. K. Mousel, Arapahoe, Neb., has been selected by the American Polled Hereford Association's board of directors for induction into the Polled Hereford Hall of Fame. With his election into the Hall of Fame, Mousel joins his father, the late R. W. Jones Jr., in the annals of Polled Hereford history. The RWJ Polled Herefords has recently exerted as much influence on the breed as any other line.
